### Resolutions of Respect, by Salisbury Lodge, No. 982, I. O. O. F.

ELK LICK, PA., June 9th, 1908.  
To the Officers and Members of Salisbury Lodge, No. 982, I. O. O. F.:  
Whereas it hath pleased the Supreme Ruler of this great universe, recently, to remove from this world to the great beyond, the wife of Brother David Harris, a prominent member of Salisbury Lodge, No. 982.

Be it resolved that our sincere sympathies be, and they are hereby extended to Brother David Harris and family, in this their hour of bereavement, and that the Supreme Being, who tempers the wind to the shorn lamb, may comfort them in their great affliction.

And be it further resolved that our condolences be, and they are hereby extended to Brother David Harris and family in the irreparable loss they have sustained in the death of a dear wife and mother.

And be it further resolved that these resolutions be spread on the records of this lodge, and that a copy of the same be sent to Brother David Harris, and that a copy thereof be furnished THE SOMERSET COUNTY STAR for publication.

J. A. WINTER,  
Committee.

If one feels dull and spiritless, in the spring or early summer, they call it "Spring Fever." But there is no fever—usually. It is the after effects of our winter habits. The nerves are mostly at fault. Tired, worn-out nerves leave us languid, lifeless, and without spirit or ambition. A few doses of Dr. Shoop's Restorative will absolutely and quickly change all of these depressing symptoms. The Restorative of course won't bring you back to full health in a day or two, but it will do enough in 48 hours to satisfy you that the remedy is reaching that "tired spot." Druggists everywhere are advising its use as a splendid and prompt general tonic. It gives more vim and more spirit to the spoonful than any other known nerve or constitutional tonic. It sharpens a failing appetite, aids digestion, frees sluggish livers and kidneys, and brings new life, strength and ambition. Test it a few days and be convinced. Sold by all dealers.

### The Fruit Tree Fungus.

Farmers and fruit growers of Pennsylvania will save thousands of dollars by heeding a warning that is sent out by State Economic Zoologist Surface, against the fungus known as peach, plum or cherry rot.

"This fungus will be unusually prevalent this year," said Prof. Surface, "because of the wet weather. The best remedy known so far is a weak Bordeaux mixture, but we are experimenting for a better one, and hope to find it. The fungus is caused by a germ, which thrives especially in periods of heavy rainfall. It destroys a great amount of fruit every year throughout Pennsylvania."

Nature has provided the stomach with certain natural fluids known as the digestive juices, and it is through these juices that the food we eat is acted upon in such a way as to produce the rich, red blood that flows through the veins of our body and thereby makes us strong, healthy and robust, and it is the weakening of these digestive juices that destroys health. It is our own fault if we destroy our own health, and yet it is so easy for any one to put the stomach out of order. When you need to take something take it promptly, but take something you know is reliable—something like Kodol For Dyspepsia and Indigestion. Kodol is pleasant to take, it is reliable and is guaranteed to give relief. It is sold by E. H. Miller.

### Somerset County One of the Big Coal Producers.

According to the figures put into the Congressional Record, Fayette county mined more coal in 1907 than any other county in Pennsylvania, 28,989,000 tons. Other counties having big productions are as follows: Westmoreland, 26,635,000 tons; Allegheny, 18,340,000; Cambria, 16,087,000; Washington, 14,645,000; Clearfield, 7,954,000; Somerset, 7,798,000; Indiana, 7,594,000; Jefferson, 5,901,000, and Armstrong, 3,564,000.

### Death of a Remarkable Man.

William Harvey Babcock, the maternal grandfather of Mrs. P. L. and S. L. Livengood, died at the home of his son, William H. Babcock, in Kitsap county, Washington, on April 15th, 1908, at the great age of 97 years and 6 months. In mentioning his death, a Washington newspaper has the following to say concerning Grandfather Babcock:

"He was perhaps the oldest and best preserved man in Kitsap county. He was born near Troy, N. Y., in 1811. During his illness of near two weeks, he was most lovingly and tenderly cared for by his son and family, where he had his home for the last three years. Besides the son and family with whom he lived, there were present at his bedside at the time of his demise, Mrs. M. J. Coleman, a daughter residing at Elma, Wash.

"Another son, Eugene Babcock, resides at Ohiowa, Neb. Six grandchildren and six great-grandchildren were present at the funeral. The services were touchingly conducted by Rev. Grandquist, and the remains were interred in Mountain View cemetery."

Stomach troubles are very common in the summer time and you should not only be very careful about what you eat just now, but more than this, you should be careful not to allow your stomach to become disordered, and when the stomach goes wrong take Kodol. This is the best known preparation that is offered to the people today for dyspepsia or indigestion or any stomach trouble. Kodol digests all foods. It is pleasant to take. It is sold here by E. H. Miller.

### The Profane Chickaree.

When irritated, a red squirrel can come the nearest to being profane of any animal I ever saw. One day when still-hunting I happened to stop under a large beech. Soon the burrs began to drop, and wishing to rest, I began shelling and eating the beech nuts. I had been doing this for some time, when the supply ceased and the squirrel came down to look after his nuts. On seeing me where he expected to find the nuts, he flew into the greatest fit of passion I ever saw any animal indulge in. He was so enraged that he lost all sense of fear and stood head down on the tree within arm's length of me, calling me all the vile names the squirrel vocabulary is capable of. It was perfectly evident that he was using language which would not look well in print. I tried to reason with him, told him that there were nuts enough for both, that he was the spryest and could get more; but it was no use. I had taken his nuts, and he abused me, so that I was obliged to leave him, still using language strong enough to walk on.—Forest and Stream.

### Must Obey Postal Laws or Pay.

The Meyersdale Republican says: "The postoffice inspector recently visited several parties in this section and compelled them to pay fines of \$10 each for placing writing in other than first-class packages. This should serve as a gentle reminder to parties thus offending to exercise more care in mailing merchandise packages. These packages are frequently opened at offices of destination and turned over to the Inspection department, with the result that the parties mailing the packages invariably have the fine to pay."
