## Our New Hair Vigor

Ayer's Hair Vigor was good, the best that was made. But Ayer's Hair Vigor, new improved formula, is better. It is the one great specific for falling hair. A new preparation in every way. New bottle. New contents. Ask your druggist to show it to you, "the new kind." Does not change the color of the hair.

As we now make our new Hair Vigor it does not have the slightest effect upon the color of the hair. You may use it freely and for any length of time without fear of changing the color. Stops falling hair. Cures dandruff. Made by the J. C. Ayer Co., Lowell, Mass.

Nature has provided the stomach with certain natural fluids known as the digestive juices, and it is through these juices that the food we eat is acted upon in such a way as to produce the rich, red blood that flows through the veins of our body and thereby makes us strong, healthy and robust, and it is the weakening of these digestive juices that destroys health. It is our own fault if we destroy our own health, and yet it is so easy for any one to put the stomach out of order. **2130 Syracuse "EASY" Washers**

were ordered for 30 days' trial by readers of our advertising in one medium only. 112 only were returned from all causes. It must be assumed that the 2138 people who kept and paid for the washer did so because it was worth more to them than the money it cost. They all had the privilege of returning the "EASY" at our expense same as you will have if you try one. They kept it because it solved the washing problem for them. You will keep it for the same reason if you try it. They expressed their satisfaction in the most positive terms. We will show extracts from their letters upon your request. Ask for our free book. It tells you why the "EASY" is a woman's machine. Pages 3-20 tell you how to cut washing expense in half and save your clothes whole, white and sweet, the way you like them. Pages 33-34 tell you how washing and bleaching are done in one operation. DODGE & ZUILL, 25 Dillaye Bldg., Syracuse, N. Y.
