A couple were recently married. The ceremony over, the wife began to weep copiously. "What's the matter?" asked the new husband. "I never told you that I don't know how to cook," sobbed the bride. "Don't fret," said he, "I'll not have anything to cook; I'm an editor."

Bert Barber, of Elton, Wis., says: "I have only taken four doses of your Kidney and Bladder Pills and they have done for me more than any other medicine has ever done. I am still taking the pills, as I want a perfect cure." Mr. Barber refers to DeWitt's Kidney and Bladder Pills. Sold by E. H. Miller. 8-1

Delay in commencing treatment for a slight irregularity that could have been cured quickly by Foley's Kidney Remedy may result in a serious kidney disease. Foley's Kidney Remedy builds up the worn-out tissues, and strengthens these organs. Commence taking it to-day. Elk Lick Pharmacy, E. H. Miller, proprietor. 8-1

Consider what the hen does when she is working. The market value of "Biddy" is about 50 cents, and the value of her daily produce 2 cents, or one twenty-fifth part of her own worth. True, her career is short, but long enough for her to earn her value many times over, and that cannot be said of some in this world who have great pretensions to usefulness.

Pineules act directly on the Kidneys and bring relief in the first dose, to backache, weak back, lame back, rheumatic pains, kidney and bladder trouble. Mrs. John Rees and daughter Velma went to Pittsburg, last Friday, to visit Miss Marion Rees, who recently had to undergo another surgical operation at a hospital in that city. The afflicted daughter has been operated on four or five times, including her first operation for appendicitis, some months ago, and she has been in the hospital ever since the first operation was performed.

Hundreds of people who suffer from backache, rheumatism, lame back, lumbago and similar ailments are not aware that these are merely symptoms of kidney trouble. Pineules for the Kidneys act directly on the kidneys, bringing quick relief to backache and other symptoms of kidney and bladder derangements. 30 day's trial, \$1.00, and guaranteed, or money back. Sold by Elk Lick Pharmacy. 9-1

At the regular monthly meeting of the Rockwood School Board, last Saturday evening, the following teachers were elected to serve during the coming school term: Principal, B. F. Fraser, of Connelleville; Assistant Principal, A. H. Newman; Grammar, Homer W. Hay; Intermediate, Pearle Vandersloot; Primary, Pearle Landis; First primary, Mary Elizabeth Dull.

Zylpha, a young daughter of Mr. and Mrs. Frank Statler, injured herself quite badly, one day last week, by falling from the top of the I. O. O. F. cemetery fence and coming in contact with an adjoining fence of barb wire. One of the barbs cut a gash in one of her legs that required several stitches. The little girl was out with some other children in quest of berries when the accident happened.

There is one preparation known to-day that will promptly help the stomach. This is Kodol. Kodol digests all classes of food, and it does it thoroughly, so that the use of Kodol for a time will without doubt help anyone who has stomach disorders or stomach trouble. Take Kodol today and continue it for the short time that is necessary to give you complete relief. Kodol is sold by E. H. Miller. 8-1

If you are a kicker and see the shadow of failure in everything that is proposed to help the town, for heaven's sake go into some secluded canyon and kick your own shadow on the clay bank, and thus give men who are working to build up a town a chance. One long-faced, hollow-eyed, whining kicker can do more to keep away business and capital from a town than all droughts, short crops, chinch bugs, cyclones and blizzards combined.

The function of the kidneys is to strain out the impurities of the blood which is constantly passing through them. Foley's Kidney Remedy makes the kidneys healthy. They will strain out all waste matter from the blood. Take Foley's Kidney Remedy and it will make you well. Elk Lick Pharmacy, E. H. Miller, proprietor. 8-1

Our garments are old, and tattered and torn; the soles of our shoes are shockingly worn; the crown and the rim are gone from our hat; our cupboard is empty—not even a rat would stay 'round the house for fear he would starve, or that we might think him a good chance to carve; and yet we ask nothing but what is our due; and if we but had it—perhaps, sir, from you—instead of this sad tale of woe that we sing, we'd joyfully shout and live like a king.

The people of Salisbury and vicinity should remain at home on the glorious Fourth, which falls on next Saturday. A picnic and celebration will be held in Wagner's Park, and there will be no shortage of refreshments and amusements. A fine display of fire works will be a feature of the evening. At St. Michael's Grove, in West Salisbury, refreshments will also be served in the evening, and there will be dancing, good music and other attractions galore.

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine, Wis. I surely would not send it free unless I was certain that Dr. Shoop's Magic Ointment would

stand the test. Remember it is made expressly and alone for swollen, painful, bleeding or itching piles, either external or internal. Large jar 50c. Sold by all dealers. 8-1

The tennis girl goes out to play her nerve-producing game; the flippant girl goes out larking because her life's too tame; the reading girl betakes herself into a world of books; the scheming girl to the seaside goes to fish with artful hooks; the flirting girl goes anywhere she thinks there is a man; the dressy girl goes to Paris to buy a dress and fan; the beauty goes upon the stage to show her handsome looks; but the girl that gets the husband stays right at home and cooks.

Pain will depart in exactly 20 minutes if one of Dr. Shoop's Pink Pain Tablets is taken. Pain anywhere. Remember, Pain always means congestion, blood pressure—nothing else. Headache is blood pressure; toothache is blood pressure on the sensitive nerve. Dr. Shoop's Headache Tablets—also called Pink Pain Tablets—quickly and safely coax this blood pressure away from pain centers. Painful periods with women get instant relief. 20 Tablets 25c. Sold by all dealers. 8-1

We have been informed that the Lutheran Sunday school convention, which assembled in this town last week, had delegated several of the members of that body to furnish reports of the convention to the various county papers. At the hour of going to press, however, this paper has not yet received the report which it was to have. Well, it doesn't make much difference, anyway, because most of the people interested in the convention know all about it, and to the greater number not interested, a report in the local paper would be dry reading matter.

Heat prostrates the nerves. In the summer one needs a tonic to offset the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring weakened nerves is surprising. Of course, you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, lifeless, spiritless, feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened Kidneys and Heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by all dealers. 8-1

Dr. "Abe" Livengood, the well-known veterinary surgeon who went from here to Keyser, W. Va., where he located more than a year ago, arrived here last week with a handsome young bride, taking her straightway to his old home to show her to his parents, Mr. and Mrs. Elijah Livengood. We have not learned to whom he is married, but we have taken notice that she is a very nice-looking lady, and have no doubt that she is just as good as good-looking. We welcome the new bride to the Livengood fraternity, and we extend our best wishes and most hearty congratulations to the genial doctor and his handsome bride.

In the northern part of the state, not long ago, a boy was requested to write a composition on "The Mouth," and this is what he wrote: "The mouth is the front door to the face. It is the aperture to the cold storage of our anatomy. It is the hot-bed of the toothache and the bughole of oratory. The mouth is the crimson aisle to the river; it is the fountain of patriotism and the tool-chest for pie. Without the mouth the politician would be a wanderer on the face of the globe, and go down to a dishonest grave. It is the grocer's friend, the dentist's hope. It is the temptation lunch counter when attached to a pretty girl, and a tobacco fiend when attached to a man."

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol for Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread, and could not retain anything on my stomach. I lost 25 lbs.; in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life, and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake O. Moore, Atlanta, Aug. 10, 1904." Sold by E. H. Miller. 8-1

If there were no women, men would have no object in life; their mustaches would cease to interest them; they would not care a Chinaman whether their collars were ironed or not; they would have nobody to nurse them when they had the toothache, or to keep them from believing they were going to die when an old-fashioned stomachache had the grip upon them. There would be nobody to take for ice cream, and no small edition of flesh and blood to hug. There would be nobody to fight against being kissed, and then take it as natural as the cat does to cream. Most important of all, there would be nobody to write against, to complain of and to love with all your heart and soul. Without her, man would never get to heaven, and without them they would never have a taste of the other place on earth. So, if man has any sense whatever, he'll put his arm around the woman he is the fondest of, thank the good Lord for her, and wonder, as she does, what in the world he would do without her.

FOLEY'S KIDNEY CURE

Makes Kidneys and Bladder Right

2130 Syracuse "EASY" Washers

were ordered for 30 days' trial by readers of our advertising in one medium only. 112 only were returned from all causes. It must be assumed that the 218 people who kept and paid for the washer did so because it was worth more to them than the money it cost. They all had the privilege of returning the "EASY" at our expense same as you will have if you try one. They kept it because it solved the washing problem for them. You will keep it for the same reason if you try it.

They expressed their satisfaction in the most positive terms. We will show extracts from their letters upon your request. Ask for our free book. It tells you why the "EASY" is a woman's machine. Pages 3-20 tell you how to cut washing expense in half and save your clothes whole, white and sweet, the way you like them. Pages 32-34 tell you how washing and bleaching are done in one operation.
