Judging from the character of most of the arrests recently made by our policeman, and the character of offenses he seldom makes an effort to check, people may easily be led to believe that the said policeman is hired to strain at gnats and swallow camels.

While in Meyersdale, last Saturday evening, we noticed that the ordinance against profanity and foul talk on the streets does not seem to be enforced. The fellows we heard cursing and blackguarding, and there were a good many of them, too, did not seem to have the least regard for ladies passing by, thus showing that they also had no respect for themselves.

Hundreds of people who suffer from backache, rheumatism, lame back, lumbago and similar ailments are not aware that these are merely symptoms of kidney trouble. Pineules for the Kidneys act directly on the kidneys, bringing quick relief to backache and other symptoms of kidney and bladder derangements. 30 days' trial, \$1.00, and guaranteed, or money back. Sold by Elk Lick Pharmacy. 9-1

While in Somerset, last Friday, we met our old friend J. R. Joy, who is again conducting a restaurant in that town, also doing private police duty. While conversing with him he told us that his wife is in a hospital at McKeesport, where she went some time ago to have a cancer removed from one of her ears. We were indeed sorry to learn of the lady's affliction, but trust that the operation may prove successful.

The incision had healed up nicely, but some time ago became very sore, and thus far has refused to heal. We trust that a short season at the hospital will bring about satisfactory results.

Mr. and Mrs. Orlando Flesher, formerly of Coal Run, but now of New Haven, Pa., were transacting business here on Monday. They resided in Elk Lick township for a good many years, and we are sorry that they are no longer residents of our community. In all our dealings with Mr. Flesher, we have found him a man of honesty and general uprightness, and his good wife possesses the same good qualities. Their many friends here always have a warm welcome in store for them.

Our friend Bertin J. Blough has taken unto himself a handsome young wife in the person of Miss Mary Baldwin, of near Stoyestown, Pa. The ceremony was performed at the home of Mr. and Mrs. John W. Blough, in

Johnstown, Pa., Wednesday evening, June 24, by Rev. J. W. Richards. We do not know the bride, but the groom is a well-known sober and industrious young man of this vicinity, and we feel sure that he got a good wife, which he deserves. THE STAR extends its best wishes to the young couple.

Piles are easily and quickly checked with Dr. Shoop's Magic Ointment. To prove it I will mail a small trial box as a convincing test. Simply address Dr. Shoop, Racine, Wis. C. A. Wilt, of Bayard, W. Va., joined his family here, last week. They are enjoying a visit among their Salisbury friends, and they are thinking of again moving back to Salisbury. Mr. Wilt moved to Bayard about a year ago, where he embarked in the merchandising business under very favorable prospects, but the panic has flattened things out there in a most deplorable manner, same as in many other places, and for that reason, and the fact that Bayard has very poor church and school facilities, he may decide to again return with his family to Salisbury.

Pain will depart in exactly 20 minutes if one of Dr. Shoop's Pink Pain Tablets is taken. Pain anywhere—feeling of blood pressure—nothing else. Headache is blood pressure; toothache is blood pressure on the sensitive nerve. Dr. Shoop's Headache Tablets—also called Pink Pain Tablets—quickly and safely coax this blood pressure away from pain centers. Painful periods with women get instant relief. 20 Tablets 25c. Sold by all dealers. 8-1

The Salisbury Band, which had been furnishing music for a Fourth of July celebration at Addison, stopped off here enroute home on Sunday, and were guests at the home of Mr. and Mrs. C. E. Statler, for the day. During the afternoon they gave a concert on the lawn at the Statler home, which was enjoyed by the citizens of town who were fortunate enough to be residing in that neighborhood. Quite a crowd gathered to listen to the music, and the consensus of opinion was that Salisbury still has the honor of having the best band in this county.—Rockwood Correspondent in Connellsville Courier.

Heat prostrates the nerves. In the summer one needs a tonic to off-set the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring weakened nerves is surprising. Of course, you won't get entirely strong in a few days, but each day you can actually feel the improvement. You will feel tired, lifeless, spiritless, feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened Kidneys and Heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by all dealers. 8-1

There's nothing on earth so miserably funny as an advertisement. The prime, first and last, and all-the-time objects of an advertisement is to draw custom. It is not and never will be designed for any other purpose. So the merchant waits till the busy season comes and his store is so full of customers that he can't get his hat off, and then he rushes to his printer and goes in for advertising. When the dull season gets along and there is no trade, and he wants to sell his goods so bad he can't pay his rent, he stops advertising. That is, some of them do; but occasionally a level-headed merchant does more of it, and scoops in all the business, while his neighbors are making mortgages to pay their bills.

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol for Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread, and could not retain anything on my stomach. I lost 25 lbs.; in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life, and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by E. H. Miller. 8-1

Our old friend and college chum, Virgil DeLozier, made history in large chunks on the evening of the 4th. He was coming up from Meyersdale on trolley car No. 1, but after reaching Moser's Bluff, he got out and walked the balance of the way, being kindly assisted from the car by Assistant General Manager John M. Wright. Although the evening was cool and pleasant, and the walking never better, Virgil was exceedingly warm by the time he reached Salisbury. He was especially warm under the collar, so warm, in fact, that it required several days in the borough cooler to cool him off. Virgil declares that if his think tank is working right, he'll be just doggone if John Wright has the right to help a fellow right off of that car right in the middle of a batch of right good fun with the motorman.

## FOLEY'S KIDNEY CURE

Makes Kidneys and Bladder Right

## 2130 Syracuse "EASY" Washers

were ordered for 30 days' trial by readers of our advertising in one medium only. 112 only were returned from all causes. It must be assumed that the 218 people who kept and paid for the washer did so because it was worth more to them than the money it cost. They all had the privilege of returning the "EASY" at our expense same as you will have if you try one. They kept it because it solved the washing problem for them. You will keep it for the same reason if you try it.

They expressed their satisfaction in the most positive terms. We will show extracts from their letters upon your request. Ask for our free book. It tells you why the "EASY" is a woman's machine. Pages 3-20 tell you how to cut washing expense in half and save your clothes whole, white and sweet, the way you like them. Pages 32-34 tell you how washing and bleaching are done in one operation.
