Several days ago the young son of Mr. and Mrs. John Lichliter fell off of a porch and broke one of his arms. The lad is a plucky little fellow, however, and doesn't seem to mind his misfortune very much. He is now going about with his arm in a sling, but seems to be as happy as anybody else.

Dr. T. F. Livengood, of Elizabeth, N. J., arrived here last week. He has since been enjoying rest and recreation among his numerous friends in Salisbury and Meyersdale. The genial doctor is much pleased with the improvements made in Salisbury in the past few years, and he pronounces our trolley line the greatest of them all, which it is.

There is one preparation known to-day that will promptly help the stomach. This is Kodol. Pain will depart in exactly 20 minutes if one of Dr. Shoop's Pink Pain Tablets is taken. Pain anywhere. Remember, Pain always means congestion, blood pressure—nothing else. J. F. Klare has sold his well-known hotel, in Meyersdale, to Vincent A. Hartle, a single man of that town, who will be assisted in the management of the house by his parents, brothers and sisters. Mr. Klare conducted a first class hotel, and it is hoped that his successor will keep the house up to its former high standard. Hotel Klare was formerly known as the Jones House, and also as Hotel Reed.

The Borough council of Boswell has placed a contract for the erection of a municipal building that will cost about \$8,000. Salisbury, a larger and much richer town, is now erecting a municipal building that is to cost \$2,075, and a few of our citizens are kicking like steers about it. The kickers are doing much harping on increased taxes, but most of that class do not pay enough taxes to pay for an ordinary drunk.

Heat prostrates the nerves. In the summer one needs a tonic to off-set the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring weakened nerves is surprising. Of course, you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, lifeless, spiritless, feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened Kidneys and Heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by all dealers. 8-1

Elias Hershberger, who has been making his home near Accident, Md., was in town several days ago. We are sorry to announce that his health has gotten to be quite bad, but we trust he will again fully recuperate. For many years Mr. Hershberger was one of the leading farmers of Elk Lick township, but he retired from farming some years ago. However, he has again returned to his native heath to make it his place of abode.

The postal authorities at Washington recognizing the liability of postmasters to make mistakes in getting letters in the wrong boxes, have fixed a penalty of \$200 on persons taking mail out of the office other than their own, and not returning it at once. This law also includes newspapers. The excuses that it is the postmaster's fault "cuts no ice." If you have been getting other people's mail, you had better take warning, or you may get yourself in trouble.

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol for Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread, and could not retain anything on my stomach. I lost 25 lbs.; in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life, and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by E. H. Miller. 8-1

Attention, Soldiers! The Veterans' Association of Somerset County will hold its Annual Reunion at Berlin, Pa., Tuesday, August 11th, during Old-Home Week. All veterans of the civil and other wars from this county and adjoining counties are cordially invited, to the end that this reunion may result in another grand rally of the "Boys in Blue." Let us be there in conveyances, if possible, ready to move in procession at 10 o'clock sharp, and when the firing squad opens up the battle (with blank cartridges) let them keep their guns well elevated. A lunch basket will be a good thing to take with you, notwithstanding the fact that the good people of Berlin never do things by halves, and there will be abundance for everybody, but the crowd may be so great that a veteran might be jostled off his feet in his efforts to reach a hotel table, lunch counter, or eating place. Do as you please, but don't forget the day, Tuesday, August 11th, and be sure to get there.

JACOB J. ZORN, President. JONAS M. COOK, Secretary. CAPT. C. J. HARRISON. CAPT. W. H. MILLER. CAPT. W. M. SCHROCK. LIEUT. A. F. DICKEY.

Committed Suicide. Geo. W. Thompson, a well-known pianist, committed suicide in Pittsburg, last Saturday, by shooting himself through the head. He was a son of Mr. and Mrs. Frank Thompson, of Bedford, and a brother of W. D. Thompson, who conducted a grocery in Salisbury a few years ago. The cause for the suicide's rash deed can only be surmised.

2130 Syracuse "EASY" Washers

were ordered for 30 days' trial by readers of our advertising in one medium only. 112 only were returned from all causes. It must be assumed that the 2018 people who kept and paid for the washer did so because it was worth more to them than the money it cost. They all had the privilege of returning the "EASY" at our expense same as you will have if you try one. They kept it because it solved the washing problem for them. You will keep it for the same reason if you try it.

They expressed their satisfaction in the most positive terms. We will show extracts from their letters upon your request. Ask for our free book. It tells you why the "EASY" is a woman's machine. Pages 3-20 tell you how to cut washing expense in half and save your clothes whole, white and sweet, the way you like them. Pages 32-34 tell you how washing and bleaching are done in one operation.
