Great Honors for Tenth Regiment and its Swell Band.

A news dispatch from the State Encampment at Gettysburg has the following to say concerning the Tenth regiment of the Pennsylvania National Guard:
"The Tenth regiment came in for a particular share of the credit. The regiment made decidedly the best showing of any outfit at camp. The band of that regiment has received the most favorable comment of any musical organization at the big camp. Their concerts have been attended by hundreds of men from the other regiments."

It's no wonder the Tenth Regiment Band is making such a big hit, for behold Salisbury's own Sam Livengood has been hired to play with that organization during the encampment. Salisbury has other good band men, too, and our old Salisbury Band can just play the socks off of any other band in Somerset county.

Colored Camp-Meeting.

On Sunday, Aug. 2nd, a camp-meeting will be started in the Beachy grove, at the South end of Grant street. The Rev. C. J. Wells, of Meyersdale, is back of the project, and a number of visiting clergymen will assist him. The meeting will open at 11 o'clock a. m., and one of the great attractions will be fine singing by the Old-Time Jubilee Songsters, of Pittsburg, an organization that has sung in many of the operas and churches throughout the state. They will be worth hearing.

JUST EXACTLY RIGHT.

Weak Kidneys

Weak Kidneys, surely point to weak kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.
If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell
