Delay in commencing treatment for a slight irregularity that could have been cured quickly by Foley's Kidney Remedy may result in a serious kidney disease. Foley's Kidney Remedy builds up the worn-out tissues, and strengthens these organs. Commence taking it to-day. Elk Lick Pharmacy, E. H. Miller, proprietor. 8-1

Our friend Walter DeLozier writes from Johnstown and informs us that he is assistant manager in F. W. Woolworth & Co.'s store, in that city, since June 20th. He likes his job, and THE STAR congratulates him on his promotion. May he climb still higher. Walter also writes that he recently missed a copy of THE STAR, adding that the missing number was badly needed to make him feel right. Good people never want to miss anything good, and the missing number of the great luminary has been duly forwarded.

There is one preparation known to-day that will promptly help the stomach. This is Kodol. Kodol digests all classes of food, and it does it thoroughly, so that the use of Kodol for a time will without doubt help anyone who has stomach disorders or stomach trouble. Take Kodol today and continue it for the short time that is necessary to give you complete relief. Kodol is sold by E. H. Miller. 8-1

Dr. John Garman, of Berlin, was here Friday on private business. When seen at the Vannear, he said: "Berlin is preparing to entertain the largest crowd in her history on the occasion of 'Old-Home Week.' Former Berliners are coming back from all sections, and the biggest trouble with our people seems to be one of finding places for all of the expected guests. Carloads are coming from some of the Western states, and from all one hears, practically the whole county will be present. We are going to do the best we can, however, and the public realizes what Berlin hospitality means. Everybody present during 'Old-Home Week' will be well taken care of." The Dr. expects to keep open house himself, says the Somerset Herald.

Heat prostrates the nerves. In the summer one needs a tonic to off-set the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring weakened nerves is surprising. Of course, you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, listless, spiritless feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened Kidneys and Heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by all dealers. 8-1

### Baseball.

Last Saturday afternoon a swell game of baseball was played in Wagner's Park by two local teams—the fats and the leans. Following was the lineup:

Fats:—Tom Clark, catcher; Ira Holter, pitcher; Chas. Cochrane, shortstop; Hen Smearman, first base; Tom Thomas, second base; Frank Wagner, third base; Ed. McDowell, right field; Hen Christner, center field; Harrison Fair, left field.

Leans:—Fred Emerick, catcher; Frank Swartzwelder, pitcher; Lawrence Wagner, shortstop; Geo. Lowry, first base; John Schramm, second base; Newt Lenhart, third base; Jack Corbett, right field; Bill Wagner, center field; Ben Jones, left field.

The game was interesting and closely contested from start to finish, and the score stood 5 to 5 until the ninth inning, when the Fats scored another run giving them the victory by one. The game was umpired by Billy Harding, and his decisions gave general satisfaction.

This is what Hon. Jake Moore, State

Warden of Georgia, says of Kodol for Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread, and could not retain anything on my stomach. I lost 25 lbs.; in fact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life, and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by E. H. Miller. 8-1

Rev. Peter Vogel Passes Away.

Rev. Peter Vogel, for many years pastor of the Christian church at Somerset, died at his home in Somerset, Saturday morning. For the past several years he had been in ill health, and unable to stand the confinement of study, was forced to give up active work in the ministry. He had the reputation of being one of the most brilliant men in Somerset county, and had written many books and magazine articles along theological lines. His widow and three daughters, Miss Ella, formerly a teacher in the Conneville High School, Miss Virginia and Miss Maud Vogel survive. For a number of years Rev. Vogel served this county very ably as court stenographer.

MANY a woman has driven her husband to drink, and he didn't stop at the watering trough, either.

SO SURE as right is right and must triumph over every wrong, so this agitated question of temperance will be settled by fundamental and constitutional law, protecting the lives and homes and property of all against the dangers of the rum traffic.

ONE New York Senator who voted against the anti-gambling bill at the last regular meeting of the New York legislature has been defeated for reelection by a vote of 141 to 5. Not reelection to the New York Senate, however; reelection as one of the trustees of his church.

LICENSE is a usurper. It is a meddlesome intruder—a damaging interference with a better state of things. Blinded by smoke of liquor logic, we have too often assumed that the normal status of society is that of free whisky, and that license has become a real restriction.

If there is a chance to boom business, boom it. Don't put on a long face and look as though you had a stomachache. Hold up your head, smile and look for better things. Hide your little hammer, and try to speak well of others, no matter how small you may know yourself to be.

MONEY spent for drink gives less employment to labor than money spent in any other way. If the money spent for drink in the United States were spent for clothes and shoes and food and houses and furniture, there could be work for all who wanted work. If, added to this, the unjust methods by which the workingmen have been deprived of the fruits of their toil, were effectually prohibited, there would need to be no poor in the land.
