Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pang of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, I uniformly cure all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

Dr. Shoop's Rheumatic Remedy "ALL DEALERS"

Somerset Mutual Fire Insurance Company.

The undersigned officers and directors of this company take the newspaper route of saying to its members or policy-holders, likewise to all other property owners who may read this communication, that, under the new management with the running expense account reduced to a minimum, and with Jonas M. Cook, of Somerset Borough, as Secretary, we are open for more business, both in the country and for scattered risks in towns of Somerset and adjoining counties, with confident expectation that you will save money by taking out insurance in a HOME COMPANY.

Yes, after two and one-half years of quite successful administration, we are pleased to state that all losses to date have been promptly met and cheerfully paid, and that our risks now in force aggregate about \$700,000, which, with continued cheerful effort on our part and your influence, should be doubled within the next year, and if in need of protection, why not call at the home office, No. 11 East Patriot street, Somerset, Pa., or mail a postal card to our Secretary, who will promptly give rates and name conditions based on our By-Laws.

Respectfully submitted,
J. P. STANTON, President.
