**BASEBALL.**

**Garrett and Meyersdale Both Get Walloped by Salisbury.**

This week Salisbury people were treated to an interesting series of ball games on the home club's grounds. The first game was pulled off on Tuesday, between Garrett's County League team and our home club. The victory went to Salisbury by a score of 14 to 0. It is therefore apparent that the Garrett League is dead easy.

Three other games were pulled off yesterday, at a union picnic held in Wagner's Park, by the Reformed church congregations of Salisbury and Meyersdale.

One was a game between Salisbury and Meyersdale young men, one between Salisbury and Meyersdale middle-aged men, and one between girls and women of the two towns.

In the young men's game, Salisbury carried off the honors by a score of 15 to 14, while Meyersdale won the contest between the middle-aged men by a score of 17 to 11.

But the great feature of the day was the game played by the ladies. It was more fun than a dog fight, and the Salisbury ladies won by the handsome score of 11 to the insignificant score of one. The Meyersdale girls couldn't play ball a little bit, but some of them showed themselves quite expert at "chewing the rag." At several stages it looked as though the game would end in a hair-pulling match, but luckily for the Meyersdale girls, that was averted. Had it come to that, Salisbury would have been even more victorious. The winning feature of the game was Miss Carmen Klinger, the Salisbury pitcher, who can twirl a ball almost equal to John Krause.

While Kennedy's Laxative Cough Syrup is especially recommended for children, it is, of course, just as good for adults. Children like to take it because it tastes nearly as good as maple sugar. Its laxative principle drives the cold from the system by a gentle, natural, yet copious action of the bowels. Sold by E. H. Miller. 9-1

**BUSH & GERTS PIANOS**  
The prestige of age and the high-born honor of a good name are precious things in the esteem of the people. In making good, keeping the name good, "making good" with a high art product, is quite as potential and essential in this pre-eminently practical age. The Bush and Gerts Piano has been before the public twenty-one years, has consequently attained its majority, and has never been found wanting in possessing all the essentials of a high-grade instrument. The fact that have been placed in American homes, and in a large number of educational institutions East and West, indicates its admirable appreciation and its vast sphere of influence.  
Send for a list of 20,000 patrons; also Catalogue and the name of nearest dealer handling our Pianos. Always insist upon the Manufacturers' name being cast in the plate and placed on the fall-board of any Piano you buy. A postal will bring you a beautiful souvenir free. Live agents wanted in unoccupied territory.
