The United States, although the youngest among nations, manufactures more goods, sells more merchandise, raises more produce, employs more labor, pays more wages, gives more comforts to its people, has more happy and prosperous homes than any other nation on earth.

Lewis Horchler, a well known farmer of Garrett county, Md., was a business caller at THE STAR office, yesterday. Mr. Horchler will retire from farming in the very near future, and the farm will be conducted by his wife, (who is considerably younger than he is) assisted by their sons.

Geo. W. Collins, the junior member of the firm of Miller & Collins, of Meyersdale, was taken suddenly ill, last Thursday, and for a while it was believed that he would die. It is said that he was poisoned by eating canned goods at the noon meal. It was with difficulty that his doctor saved his life.

Hundreds of people who suffer from backache, rheumatism, lame back, lumbago and similar ailments are not aware that these are merely symptoms of kidney trouble. Pineules for the Kidneys act directly on the kidneys, bringing quick relief to backache and other symptoms of kidney and bladder derangements. 30 day's trial, \$1.00, and guaranteed or money back. Sold by Elk Lick Pharmacy. 9-1

Our esteemed friend and relative, Mr. Jonas J. Beachy, one of the prominent and substantial farmers of Garrett county, Md., was a business caller at THE STAR office, Monday. He was in his usual good humor, and he has our thanks for a "plunk" and a half to apply on his subscription to the "Twinkler."

J. H. Lenhard, of Strang, was bitten by a rattlesnake, last week. He at once drank about a pint of whisky, and has been looking for another rattler every day since, we presume. To make history more complete, he received about 40 stings from bees later in the week, and on top of all that, lightning struck his house.—Carleton (Neb.) Leader.

Pineules for the Kidneys, 30 days' trial \$1.00, Guaranteed. Pineules act directly on the Kidneys and bring relief in the first dose, to backache, weak back, lame back, rheumatic pains, kidney and bladder trouble. They purify the blood and invigorate the entire system. Sold by Elk Lick Pharmacy. 9-1

Miss Minnie Snyder won the queen of beauty prize voted for at Berlin, Pa., through the Gleaner. Of course, the name (Snyder) had a great deal to do with it. It is the only name that can be compared like an adjective—snider, snidest. She is good, better, best, and, being a Minnie, she is a good bait for a prospective husband.—Cumberland Alleganian.

Mr. Buckner, Vice President of the New York Life Insurance Company, said to an employe, who asked for a raise in pay, "I would feel much more inclined to double your salary if you lived on half that which you now have. This is no business of mine, but I express this to you as a friend." Mr. Buckner's remarks should be thoughtfully considered by many.

Does your back ache? Do you have sharp pains in the side and the small of the back? This is due, usually, to kidney trouble. Take DeWitt's Kidney and Bladder Pills. They will promptly relieve weak back, backache, rheumatic pains and all Kidney and Bladder disorders. Sold and recommended by E. H. Miller. 9-1

While Kennedy's Laxative Cough Syrup is especially recommended for children, it is, of course, just as good for adults. Children like to take it because it tastes nearly as good as maple sugar. Its laxative principle drives the cold from the system by a gentle, natural, yet copious action of the bowels. Sold by E. H. Miller. 9-1

If there is anything that tortures an editor more than anything else, it is to publish a \$15 or \$20 obituary notice about some old, prominent citizen who never had the manhood to take his home paper. Editors frequently put in such notices at request of relatives and friends, but it grinds them to stonify a man to the skies who was too stingy to support his home paper. A three-line notice is all such fellows deserve.

Pain anywhere stopped in 20 minutes sure with one of Dr. Shoop's Pink Pain Tablets. The formula is on the 25-cent box. Ask your Doctor or Druggist about this formula! Stops womanly pains, headache, pains anywhere. Write Dr. Shoop, Racine, Wis., for free trial, to prove value of his Headache, or Pink Pain Tablets. Sold by all dealers. 9-1

Tell me, ye winged winds that around my pathway roar, do ye not know some quiet spot where wives clean house no more; some lone, sequestered dale, some island, ocean-girt, where life is not one ceaseless war with cobwebs and with dirt; where only nature's carpet spreads beneath their tired feet, and wretched men are ne'er compelled its emerald folds to beat? The breezes fanned my heated face, and said: "Beat on? There's no such place."

The little attacks of stomach trouble and stomach disorders will undoubtedly lead to chronic dyspepsia, unless you take something for a sufficient time to strengthen the stomach and give it a chance to get well. If you take Kodol in the beginning, the bad attacks of Dyspepsia will be avoided, but if you allow these little attacks to go unheeded it will take Kodol a longer time to put your stomach in good condition again. Get a bottle of Kodol today. Sold by E. H. Miller. 9-1

Once more Dr. Osler's theories have been knocked silly. Alfred Wagner, who is somewhat past 76 years of age, broke a rock several days ago that would have weighed about a ton and a half, into small fragments, in fifteen

minutes by the watch. He used a 14-lb. sledge, and he handled the big hammer in a manner that would outclass the average young man of 21 years. In fact some of the young men working at the borough stone crusher had several times tried their strength on the big boulder, but each time gave up breaking it as a bad job.

Summer complaints and other serious ailments common in hot weather can be traced to the stomach nine times out of ten. Keep the stomach in good order right now by keeping a bottle of Kodol handy in the house all the time, but especially during this month. Take Kodol whenever you feel that you need it. That is the only time you need to take Kodol. Just when you need it; then you will not be troubled with sour stomach, belching, gas on the stomach, bloating, dyspepsia and indigestion. Sold by E. H. Miller. 9-1

The will of Elias Hershberger, late of Elk Lick township, was probated Monday morning. He directed that the sum of \$2,000 be set aside and placed in the hands of Joel Hershberger, Milton Hershberger, Jonas D. Yoder and C. W. Bender, in sums of \$500 each, the interest on which at 5 per cent. shall be paid to his wife, Elizabeth Hershberger, as long as she remains his widow. He bequeathed the rest of his estate to his children: Annie Shetler, of Iowa; Sarah Yoder, of Summit township; Ada Hershberger and Cora Bender, of Garrett county, Md.; Joel, Milton and Harvey Hershberger, share and share alike. Joel Hershberger is named as executor.

Paper pillows are all the go, now, and are easily made. Tear the paper into pieces not bigger than your finger nail and put them into a pillow sack of drilling or light ticking. They are very cool for hot climates and much superior to feather pillows. The newspapers are printing appeals for them for hospitals. Newspaper is not nice to use, as there is a disagreeable odor from printer's ink, but white and brown paper, and old envelopes are best. As they are torn, stuff them into an old pillow case until a sufficient quantity is had. The easiest way is to cut the paper in strips about half an inch wide, and then tear or cut across. The finer it is the lighter it makes the pillow.

August time tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves"; then the stomach, heart, and kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by all dealers. 9-1

Don't forget that your neighbor, though he differs from you politically, may be just as honest in his convictions as you, that this is a free country, where freedom of opinion is one of the biggest of the broad foundation stones of our government, and there would be an end of that form of government without it. Be tolerant, therefore, rational, patriotic and good-natured. Stand by your convictions, and let your neighbor stand by his, if so disposed. Keep cool. Argue politics if you will, but do it calmly and reasonably, and bear this fact always in mind, that just as you have made up your mind unalterably as to the way in which you will vote, ninety-nine hundredths of the voting population has done the same thing.

The footprints of Dyspepsia have been directly traced to the Stomach nerves. When these "inside nerves" fail, indigestion and stomach distress must surely result. For this, druggists everywhere are supplying a prescription known as Dr. Shoop's Restorative. First, these tiny inside Stomach, Heart, and Kidney nerves fail. Then gas, belching, heart palpitation, or falling Kidneys follow. Don't drug the Stomach, or stimulate the Heart or Kidneys. That is wrong. Strengthen these failing nerves with Dr. Shoop's Restorative. It is the nerves, not the organs that are calling for help. Within 48 hours after starting the Restorative, you will realize the gain. A test will tell. Sold by all dealers. 9-1

A city calendar salesman and hot air vender was canvassing this town this week. To those who were disloyal enough to the home print shop to send their cash away from home in preference to spending it with the home printer, the fakir was all peaches and cream, but to those who informed him that they preferred to buy their calendars from the home printer, a man who patronizes them in return, the city chap was very insolent and insulting. The business men who send their cash out of town for that which can be produced at home just as cheaply, as is the case in the calendar business, are on a par with the suckers who patronize the big city mail order stores in preference to the home merchants. In other words, they are sending their money where it will not return to them, which is setting a bad example, one which is always hurtful to the country town. We have the finest line of calendars at THE STAR office for the 1909 trade that was ever shipped to Somerset county, and no city fakir can undersell us, either.

All kinds of Legal and Commercial Blanks, Judgment Notes, etc., for sale at THE STAR office.
