EXCELLENT HEALTH ADVICE.

Mrs. M. M. Davison, of No. 879 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at E. H. Miller's drug store. 50c. 9-1

Baseball News.

On Tuesday the Salisbury baseball club went to Rockwood and crossed bats with the Rockwood team. The Rockwood team was outclassed from start to finish, but a prejudiced and unfair umpire gave the game to Rockwood by a score of three to one. We are aware that it is somewhat customary for the losing club to blame defeat on the umpire, whether the umpire has been fair or unfair, but the kick in this case is a just one, for the reason that the umpire openly and brazenly declared that he could not favor both clubs, which would indicate that his decisions had been decided on in advance, and besides, some of the Rockwooders themselves freely asserted that the Salisbury boys were given a dirty deal.

BUSH & GERTS PIANOS

The prestige of age and the high-born honor of a good name are precious things in the esteem of the people; but the credit for keeping the name good, "making good" with a high art product, is quite as potential and essential in this pre-eminently practical age. The Bush and Gerts Piano has been before the public twenty-one years, has consequently attained its majority, and has never been found wanting in possessing all the essentials of a high-grade instrument. The fact that over forty thousand Bush and Gerts Pianos have been placed in American homes, and in a large number of educational institutions East and West, indicates its admirable reputation and its vast sphere of influence.
 Send for a list of 20,000 patrons; also Catalogue and the name of nearest dealer handling our Piano. Always insist upon the Manufacturers' name being cast in the plate and placed on the fall-board of any Piano you buy. A postal will bring you a beautiful souvenir free. Live agents wanted in unoccupied territory.
