Attention, Old Soldiers of Humphrey's Division! Dedication of Monument at Fredericksburg, Va.

This monument which is to be unveiled on the 11th day of November next, is being erected by Pennsylvania, under Act of May 11th, 1905, in commemoration of the charge of Humphrey's Division on Maryes' Heights, Fredericksburg, Va., on the 13th day of December, 1862. The Division, all Pennsylvania regiments, consisted of the 123, 126, 129, 131, 133, 134, 91st and 155th.

The Commission, known as the Fredericksburg Battlefield Memorial Commission, consists of: D. Watson Rowe, President, Chambersburg, late Lieut. Col. 126 Regt. James M. Clark, Sec'y and Treasurer, New Castle, late Captain G Co., 134 Regt. Wm. Witherow, Pittsburg, late of E Co., 123 Regt. Clay W. Evans, St. Clair, late of B Co., 129 Regt. J. Hunter Miles, Milton, late of B Co., 131 Regt. Geo. F. Baer, Reading Terminal, Philadelphia, late Captain E Co., 133 Regt.

Every honorably discharged survivor of the eight regiments constituting Humphrey's Division, in whatever state he may live, in accordance with the provisions of the dedication Act of June 13, 1907, is entitled to free transportation to Fredericksburg and return, from the railroad station in Pennsylvania, nearest to his residence.

In order to secure this transportation, which does not include either subsistence, or sleeping or parlor car accommodations, individual application must be made to the Secretary, James M. Clark, New Castle, Pa. This initiative application need contain no information but his desire, name and postoffice address. The rest will follow in due course.

While orders for transportation will not go out before some time in October, it is important that applications be sent to the Secretary at once, in order that the railroads may have timely notice for the needful ticket arrangements.

Tickets can be secured on the Secretary's order, from November 5th to 11 inclusive, good returning until November 25th inclusive, subject to such stop-off privileges as shall hereafter be provided for.

Upon receipt of the order for transportation, an immediate call should be made upon the ticket agent, that he may have plenty of time to remedy any defect in his instructions.

In case of competing lines, the mileage basis being the same, the holder of the order makes his choice of roads.

It is expected that arrangements will be effected for the sale of tickets to the family and the family friends, on card order of the Secretary, at a one and one-half cent rate each way.

All unused orders except "Card Orders," and unused tickets, should be returned promptly after the dedication, to the Secretary, at New Castle, Pa.

CURED HAY FEVER AND SUMMER COLD.

A. S. Nusbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success." Sold by Elk Lick Pharmacy, E. H. Miller proprietor. 9-1

WHY JAMES LEE GOT WELL.

Everybody in Zansville, O., knows Mrs. Mary Lee, of rural route 8. She writes: "My husband, James Lee, firmly believes he owes his life to the use of Dr. King's New Discovery. His lungs were so severely affected that consumption seemed inevitable, when a friend recommended New Discovery. We tried it, and its use has restored him to perfect health." Dr. King's New Discovery is the King of throat and lung remedies. For coughs and colds it has no equal. The first dose gives relief. Try it! Sold under guarantee at E. H. Wants no More Army Life in His.

James Cochran, son of Mr. and Mrs. Archie Cochran, who had been in the U. S. artillery service, and stationed at New York, came home this week, having purchased his discharge. James served "Uncle Sam" a little over a year, and he says he wants no more army life in his, for reasons as follows: He says the insolence and meanness of the officers schooled at West Point is simply unbearable to him, while the food supplied to the private soldiery is abominable.

He deserted the service shortly after enlisting, but later surrendered himself to a recruiting officer at Altoona, Pa., who returned him to New York, where he was punished and later permitted to purchase his discharge.

HOW TO AVOID APPENDICITIS.

Most victims of appendicitis are those who are habitually constipated. Foley's Orino Laxative cures chronic constipation by stimulating the liver and bowels, and restores the natural action of the bowels. Foley's Orino Laxative does not nauseate or gripe, and is mild and pleasant to take. Refuse substitutes. Sold by Elk Lick Pharmacy, E. H. Miller, proprietor. 9-1

To Keep Salt Dry.

"To prevent salt in salt-cellars from becoming damp and lumpy, when filling them put in ten to twelve pieces of rice," says Women's Home Companion for September. "This will not come through the holes in the cover of the salt-cellars, but will break the lumps of salt and gather the moisture; thus the salt is always dry and fine."
