Kodol will, in a very short time, enable the stomach to do the work it should do, and the work it should do is to digest all the food you eat. When the stomach can't do it, Kodol does it for it, and in the meantime the stomach is getting stronger and able to take up its regular, natural work again. Kodol digests all you eat. Oscar Wagner, who some time ago had an operation performed for the removal of a cancer, went to Pittsburgh again, Tuesday last, to have another operation performed for the removal of a bad sore left by the first operation. We have heard nothing concerning him since his departure, but we earnestly hope that the operation he went to undergo will prove successful, and that he will soon be a well man.

When you have a cold you may be sure that it has been caused indirectly by constipation, and consequently you must first of all take something to move the bowels. This is what has made Kennedy's Laxative Cough Syrup so successful and so generally demanded. It does not constipate like most of the old-fashioned cough cures, but on the other hand it gently moves the bowels and at the same time heads irritation and allays inflammation of the throat. Sold by E. H. Miller. 10-1

Miss Jennie Davis, of Confluence, met with quite a serious accident, Tuesday, while visiting her Salisbury cousins, the Misses Della and Alice Beale. Miss Alice Beal accompanied her to Confluence, from which place the patient was taken charge of by a brother, who took her to Pittsburgh. We trust that the lady will have a speedy recovery.

About the nicest treat the editor of this paper has been given in a long

time is one that Norman E. Keim brought to THE STAR office this morning, consisting of a half-bushel of choice old-time sweet pippin apples. Among other good qualities that Norman possesses, generosity is one of his prominent traits. We thank him very much for the treat, and he can rest assured that the fine fruit is being greatly relished by the editorial family.

Drive Rheumatism out of the blood with Dr. Shoop's Rheumatic Remedy and see how quickly pain will depart. Rub-on's never did reach the real disease. Rheumatism isn't in the skin. It's deep down—it's constitutional. Getting rid of the pain, is, after all, what counts. That is why Dr. Shoop's Rheumatic Remedy goes by word of mouth from one to another. And here, in lies the popularity of this Remedy. It is winning defenders everywhere. Tablets or liquid. Sold by all dealers. 10-1

A Mr. Ringer, of Davenport, Neb., was a caller at THE STAR office, last Friday morning, but the editor being absent from the office, did not have the pleasure of meeting the visitor. Mr. Ringer was a former resident of this county, but we somehow can't quite recall him, therefore do not know exactly what Ringer family he belongs to. If he is still in the vicinity, we trust he will call again, for we are always glad to meet and converse with the "Frosty Sons of Thunder" who have wandered away from their native heath, but occasionally return for a visit to the dear old scenes of youth.

Tickling or dry Coughs will quickly loosen when using Dr. Shoop's Cough Remedy. And it is so thoroughly harmless, that Dr. Shoop tells mothers to use nothing else, even for very young babies. The wholesome green leaves and tender stems of a lung healing mountainous shrub give the curative properties to Dr. Shoop's Cough Remedy. It calms the cough, and heals the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's. Accept no other. Sold by all dealers. 10-1

Joseph Miller, a son of Daniel Miller, of Somerset, was a most welcome caller at THE STAR office, last Friday. Joseph is a resident of Arizona, where he located in 1892, after first having resided in Thayer county, Nebraska, for a few years. He is a prosperous farmer and an all-around good fellow, and in 1876 he and the editor worked in the vicinity of Meyersdale, usually spending their Sundays together. It seemed good to talk over our good old boyhood days, but we forgot to ask "Joe" whether he remembered the time we saved him from drowning in the Casselman, at the mouth of Elk Lick run, where he undertook to swim like a fish but sank like a stone. Had it not been for the editor, Joseph would long ago have been an angel.

Last Sunday the editor, accompanied by his wife, daughter Minnie and Walter Easton, took a carriage drive to the editor's birthplace at Cove, Garrett county, Md. The old log cabin where the editor and one of his sisters first saw the light, back in the "Sixties," is still standing, but is in a bad state of preservation. To view its time-worn outlines (the old house is probably a hundred years or more old) was to call up many recollections of the past, some joyful, others pathetic. The old farm is now occupied by Joel Deal, at whose hospitable place the team was fed, while the visitors enjoyed their lunch under the spreading branches of a large cherry tree. It was a delightful drive across the mountains and dells, and the valley known as the Cove is a veritable Garden of Eden to gaze upon in the good old summertime.

It's a pity when sick ones drug the stomach or stimulate the Heart and Kidneys. That is all wrong! A weak Stomach means weak Stomach nerves, always. And this is also true of the Heart and Kidneys. The weak nerves are instead crying out for help. This is the remedy helping Stomach, Heart and Kidney ailments. The Restorative reaches out for the actual cause of these ailments—the failing "inside nerves." Anyway, test the Restorative 48 hours. It won't cure so soon as that, but you will surely know that help is coming. Sold by all dealers. 10-1

What might have resulted in a very disastrous conflagration, early last Sunday evening, was discovered by Edward Loechel, who promptly got a pail of water and extinguished the fire. He discovered that some one had set fire to a couple of muslin signs tacked on the rear wall of the old company store building owned by the Somerset Coal Company, and located on Ord street. The building has not been occupied for some time, and the chances are that the fire was started by one of the boys who have at various times been seen prowling around the building, breaking into it, etc., and stealing various articles therefrom. If Mr. Loechel had not discovered the fire just when he did, a good portion of our town would now, more than likely, be in ashes. A few young lads in this town, and some older ones, too, will be apt to land in prison one of these days. It is pretty well known who the "firebug" is.

Dr. Crawford, professor of English in the University of Pittsburgh, Pa., spoke on the Local Option question, last Sunday, in the German Baptist Brethren church. His subject was, "Is the saloon a good thing or a bad thing?" In the course of his remarks, Dr. Crawford said: "If the saloon is a good thing, let it live, help it along; but if it is a bad thing, work to do away with

it." The speaker had no trouble to prove to the satisfaction of all present that the saloon is not only a bad thing, but a very bad thing. He also proved by official statistics that the saloon is a very expensive thing, and that in Ohio alone, while the revenue derived from liquor license foots up to \$4,000,000, the needless expense, such as court and almshouse costs produced by the sale of liquor, foots up to \$7,000,000. His address was one of the most logical ever delivered in Salisbury. Dr. Crawford is doing missionary work throughout the state for the Anti-Saloon League.

A PAYING INVESTMENT.

Mr. John White, of 38 Highland Ave., Houlton, Maine, says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c. bottle of Dr. King's New Discovery; before that was half gone, the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at E. H. Miller's drug store. 50c. and \$1.00. Trial bottle free. 10-1

Christening Celebrated by a Fine Dinner.

Harding, Michael Harding, Miss May Younk, Thomas Harding and William Murphy, all of Salisbury; Mrs. Conley and Miss Corine Derry, of West Salisbury, and Miss Alice Cole, of Harper's Ferry, W. Va.

PASSED EXAMINATION SUCCESSFULLY.

James Donahue, New Britain, Conn., writes: "I tried several kidney remedies, and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Remedy. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Remedy cures backache and all forms of kidney and bladder trouble. Elk Lick Pharmacy, E. H. Miller, proprietor. 10-1

ADDISON NEWS.

A Pumpkin Hard to Beat—Other Items of Interest.

Sept. 2.—This is no snake story, neither is it a pumpkin story, but if anyone in Somerset county can beat it without feeding, your correspondent will step down and out. E. Largent has a sweet pumpkin in his garden that measures 60 inches in circumference. If anyone can beat it, we would like to hear of it through THE STAR.

Last Sunday Mr. H. Risheberger, of Connellsville, who is employed by the U. S. Express Company, was here for a visit with his father, Chas. Risheberger, Esq. Mr. Ray Risheberger, also of Connellsville, is here on a week's vacation, visiting at his old home. He is accompanied by his wife.

HOW TO GET STRONG.

P. J. Daily, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at E. H. Miller's drug store. 50c. 10-1

Another Windber Murder.

Chalk down one more murder for Windber. On Tuesday last Alexander Forcas struck Andy Buday with a club and killed him. Forcas was promptly arrested and landed in jail at Somerset. It is alleged that Buday struck Forcas in the face several times, three years ago, and that Forcas killed him at the first opportunity he had to get "even." Both men were Hungarian employes of the Berwind-White Coal Company.
