BUSH & GERTS PIANOS

The prestige of age and the high-born honor of a good name are precious things in the esteem of the people; but the credit for keeping the name good, "making good" with a high art product, is quite as potential and essential in this present practical age. The Bush and Gerts Piano has been before the public twenty-one years, has consequently attained its majority, and has never been found wanting in possessing all the essentials of a high-grade instrument. The fact that over forty thousand BUSH AND GERTS PIANOS have been placed in American homes, and in a large number of educational institutions East and West, indicates its admirable appreciation and its wide sphere of influence.
Send for a list of 20,000 patrons; also Catalogue and name of nearest dealer handling our Piano. Always insist upon the Manufacturers' name being cast in the plate and placed on the fall-board of any Piano you buy. A postal will bring you a beautiful souvenir. Live agents wanted in unoccupied territory.

W. C. T. U. County Convention.

The Twenty-fourth annual convention of the Woman's Christian Temperance Union was held in St. John's Lutheran church at Salisbury, Wednesday, Thursday and Friday of the past week.

The convention was opened with the hymn, "All Hail the Power of Jesus Name." Mrs. Villa Allen, of Hooversville, conducted the devotions and was followed by the "Welcome Song" by the Salisbury quartette. The convention then listened to the cordial address of welcome. Rev. L. P. Young's address, welcoming the visitors in behalf of the clergy, made us feel welcome indeed. Mr. George Hay welcomed us in behalf of the town. Mrs. Lydia Shaw, president of the Salisbury Union, welcomed us in behalf of the W. C. T. U. of her beautiful little city. She made us feel we were very welcome to the cordial friendly homes that were opened for our entertainment. Prof. William Baumgartner, of Salisbury, favored us with a solo. This was quite a treat. Dr. Sylvia McQ. Wilson, of Somerset, and Mrs. Sue Liston, of Addison, gave interesting and fitting response to the words of welcome.

Miss Anna O. McKinley, of Salisbury, read a paper on "A much needed reform." A free-will offering was then taken, after which Rev. Young pronounced the benediction. This ended the Wednesday session.

Thursday morning dawned cold and drear, but this could not put a damper on the workers of the W. C. T. U. An executive meeting was held at 8:30, and the convention proper was called to order at 9:45, by our beloved president, Mrs. Jones. Devotions were conducted by Mrs. Thompson, of Ursina. The minutes of last convention were read by Miss Kathryn Thompson, of Ursina, our recording secretary. The reports of the local unions were read, and showed that there was much work done during the year. One of the best reports came from Hooversville. This Union, only a year old, has a membership of 48 paid up members. The workers are many, but we want more. Would you join us, dear reader?

"The value of total abstinence to a life," was discussed by Mrs. Cook and Mrs. Frease, of Somerset, Mrs. Liston, of Addison, and Rev. Young, of Salisbury. After the noontide prayer by Mrs. Growall, of Rockwood, the convention adjourned until after the dinner hour. The afternoon session was called to order by the president at 1:30. The devotional exercises were conducted by Miss Mary L. Anawalt, of Stoyestown. The report of our corresponding secretary, Mrs. Lydia McKinley, was very interesting.

"Does Prohibition Prohibit?" was discussed by Mrs. Statler, of Rockwood, Mrs. Valentine Hay, of Somerset, and Mr. Meager, of Salisbury.

Little Miss Avanelle Kribbs, of Mariaville, recited for us the "W. C. T. U." which was greatly enjoyed. We then listened to an inspiring address by our president, Mrs. Liehty, of Nebraska, led us in prayer, after which Mrs. Just, of Kentucky, gave an interesting talk on W. C. T. U. work in her state.

The following officers were elected for the ensuing year: President, Mrs. Azubah Jones; Vice President, Dr. Sylvia McQ. Wilson; Corresponding Secretary, Mrs. Lydia McKinley; Recording Secretary, Miss Kathryn Thompson; Treasurer, Miss Sara Thomas. "Discussion of Department Work" was then taken up, resulting in the election of superintendents for county work.

At the Thursday evening session Dr. Sylvia McQ. Wilson presided. Devotions were in charge of Mrs. Jones. Mrs. Villa Allen, of Hooversville, rendered a pleasing solo. The large audience was entertained with a pleasing and instructive lecture delivered by J. T. McCrory, D. D., of Pittsburg. A free-will offering was taken. Benediction was pronounced by Rev. May, of Salisbury.

The executive meeting was held at 9 o'clock, Friday morning. The conven-

tion was called to order at 10. Devotions were conducted by Mrs. Emerick, of Salisbury. After the reading of the minutes of last meeting, resolutions especially appropriate to the occasion and thanking each and every one who had contributed to make the convention a success, were submitted by the chairman of the committee, Mrs. Frease. A fine paper was read by Mrs. Frease, on "Young Women's Organization."

After the paper, an invitation for the convention of 1909 was extended to the county by the Rockwood delegates, and was thankfully accepted.

The convention then listened to the closing address by the president, Mrs. Jones, who then favored us with a solo, "Nearer, Draw Nearer." Minutes of morning session were read.

After singing "Blest be the Tie that Binds," the benediction was pronounced, and thus ended the convention of 1908.

NORTH DAKOTA LETTER.

M. P. Lichty Reports Bountiful Crops and General Prosperity in the Northwest.

ZION, TOWNER CO., N. D., Aug. 27, 1908. EDITOR STAR:—You can tell your readers that our annual harvest scenes are in evidence once more, all over the great Northwest. In this state the grain will be practically all on shock by the end of this week.

Much of the early barley and oats, and some wheat has already been threshed, quite a good shipment has been made, and good prices realized. The season is about two weeks earlier than it was last year. We had a very favorable growing and maturing season, the grain is well filled, of excellent quality, and the yield will be, through here, above the average.

I had a jag of oats thrashed for feed that weighs 42 lbs. to the bushel. Next week threshing will be on in full speed, and if our fine weather continues we shall get done early, this year. Help is plentiful, and the wages good, but a trifle lower than last year.

North Dakota is developing more and more each year. More and better coal has been found in the western part of the state, recently, and also several finds of the more precious metals—gold and silver—in paying quantities. But through here our wheat fields are the best mines of wealth, and more easily worked. Towner county is one of the banner wheat and flax producing counties, and another prosperous year is before us.

I am cooking my dinner today with wheat for fuel, about a peck that I swept out of the corners of my empty bins. The weather has been very fine since harvest begun. My man cut my 265-acre crop with two 8-foot Deering binders, in 6 days. The only part I played was to sit in the buggy and carry the water around to the shockers and drivers, but the old-time whisky bottle was a minus quantity. Instead, I would occasionally serve lemonade.

On Sunday, Sept. 13th, we will hold our annual harvest meeting at the Zion church here, a program for an all-day meeting is being arranged for the happy occasion, which is equal to an old settlers' reunion.

Today the Ladies' Aid Society meets in our church parlor, and I think I shall attend it a while and see what all they are doing.

Space forbids to add more at this time, but after the threshing is done I may have more to tell you. Yours respectfully,
M. P. LICHTY.
