Solomon D. Yoder, one of the prominent farmers of Garrett county, Md., was a welcome caller at THE STAR office, Tuesday morning. He is one of THE STAR's Garrett county readers and old-time friends, and he just called in to exchange greetings and talk a little good, old-fashioned Pennsylvania Dutch with the editor, for he is known Mr. Yoder is a Pennsylvania Dutchman of the class that has made Garrett county a famous agricultural county.

A dearth of local news often leads to murmurs on the part of those who prize local gossip above all else, and it is not all the fault of the publisher. Any live publisher will not fail to give all the local news worthy of note, therefore when the local department is short you should not rail at the editor, but remember you might have committed suicide, got married, quarreled with your neighbor, stole chickens, let your team run away, or done a hundred other things to make a local item.

Sidney Easton, who spent most of the past year and a half in Nevada, returned to Salisbury yesterday, bringing with him the rugged, healthy looking tan of that desert country. He also visited California, Oregon and Washington during his absence, but worked most of the time about the mining camps of Nevada. He gained much valuable experience during his absence, and roughing it seems to have agreed with him, as he is looking as strong and healthy as an onion crop.

Mr. and Mrs. Mahlon C. Berkley and son Robert, of Burr Oak, Kan., were Salisbury visitors on Tuesday. Mr. Berkley is a prosperous Kansas banker, but formerly resided in this county, having been born and reared in Summit township. He is well known in Salisbury and vicinity, having twice married here; first to Ellen, a daughter of the late John W. Beachy, and second to Olive, a daughter of the late Jacob D. Livengood, both now deceased. He has since married a daughter of Mr. and Mrs. Gabriel Beachy, of Beatrice, Neb.

It is with much satisfaction that we announce the fact that our borough school board has decided to employ an additional primary teacher, which will give Salisbury a total of seven teachers. The First primary room has long been overcrowded, the teacher in that room having 67 pupils, which is far too many for one teacher to do justice to.

Millions of bottles of Foley's Honey and Tar have been sold without any person ever having experienced any other than beneficial results from its use for coughs, colds and lung trouble. This is because the genuine Foley's Honey and Tar in the yellow package contains no opiates or other harmful drugs. Guard your health by refusing any but the genuine. Elk Lick Pharmacy, E. H. Miller, proprietor. 10-1

Big Pumpkins.
THE SOMERSET COUNTY STAR reports a big pumpkin that measured 80 inches in circumference, but we are able to beat that with one raised by a Garrett county farmer which broke loose from the vine, a few days ago, and rolled down the hill on which it grew, knocked down four panels of fence and landed against a hog pen, breaking a large hole in the pumpkin, and now old sow and twelve pigs have taken up their abode in the pumpkin for the winter. Come again "Uncle Pete."—Oakland Journal.

When you have a cold you may be sure that it has been caused indirectly by constipation, and consequently you must first of all take something to move the bowels. This is what has made Kennedy's Laxative Cough Syrup so successful and so generally demanded. It does not constipate like most of the old-fashioned cough cures, but on the other hand it gently moves the bowels and at the same time heals irritation and allays inflammation of the throat. Sold by E. H. Miller. 10-1

P. & M. Stockholders Meet.

A meeting of the stockholders and directors of the Pa. & Md. Street Railway Company was held at the First National Bank, last Saturday. Those in attendance were President C. H. Jennings, of Jenningtown, W. Va., Hon. Geo. W. Kipp, E. T. Kizer and Geo. R. Hill, of Towanda, Pa., Geo. H. Davies, of Harrisburg, Pa., John M. Wright, H. H. Maust, J. L. Barchus and Ernest Livengood, of this place, Harman, Behr, of Jennings, Md., and E. O. Koozer, one of the company's Somerset attorneys.

While no information concerning the meeting was handed out for publication, it is nevertheless understood that it was decided to extend the road to Berlin, Somerset and Johnstown as soon as all preliminary details can be arranged.

After the meeting, some of the stockholders went to view the routes of the proposed extension.

It's a pity when sick ones drug the stomach or stimulate the Heart and Kidneys. That is all wrong! A weak Stomach means weak Stomach nerves, always. And this is also true of the Heart and Kidneys. The weak nerves are instead crying out for help. This explains why Dr. Shoop's Restorative is promptly helping Stomach, Heart and Kidney ailments. The Restorative reaches out for the actual cause of these ailments—the falling "inside nerves." Anyway, test the Restorative 48 hours. It won't cure so soon as that, but you will surely know that help is coming. Sold by all dealers. 10-1

Carleton, Neb., near which place he was employed on a farm, back in the "Eighties." He is an old Summit township boy, a son of the late Jonathan Weller, and we have no hesitancy in recommending him to all who may be in need of an auctioneer. He is a first-rate fellow, and that he understands his business, there is not the slightest doubt.

Drive Rheumatism out of the blood with Dr. Shoop's Rheumatic Remedy and see how quickly pain will depart. Rub-on's never did reach the real disease. Rheumatism isn't in the skin. It's deep down—in the constitution. Getting rid of the pain, is, after all, what counts. That is why Dr. Shoop's Rheumatic Remedy goes by word of mouth from one to another. And here lies the popularity of this Remedy. It is winning defenders everywhere. Tablets or liquid. Sold by all dealers. 10-1

In company with Postmaster A. B. Lowry, we went to Grantsville, Md., Tuesday evening, to attend a Republican rally. The chief speaker of the evening was Col. Geo. A. Pearre, candidate for Congress in the 6th Maryland district, who delivered a fine address, which was well received by a large and enthusiastic audience. A Republican club was organized immediately after the rally, and many names were enrolled on the list of members. On the way home we passed a huge male bovine, who also was a club member, and he carried the club with him, attached to his neck, making him look about as sheepish and ashamed as a man has to look to be a member of a Democratic club, and as the said male bovine did a good deal of useless bellowing, we sized him up as a member of the Democratic party. But if the rally held at Grantsville, on Tuesday night indicates anything, it indicates that the Democrats couldn't carry one side of Garrett county, even if permitted to vote all the bulls, bucks, horses and dogs within the county limits.

It is with much satisfaction that we announce the fact that our borough school board has decided to employ an additional primary teacher, which will give Salisbury a total of seven teachers. Gored by Vicious Bull.

While engaged in the work of salting his cattle, last Friday, Mr. Frederick Walker, a well known farmer who resides in summit township, a few miles north of this city, was attacked and seriously injured by a vicious bull that was grazing in the field with the other cattle. No one saw the accident occur, and it was only on account of Mr. Walker's failure to return to the house in a reasonable time that anything was suspected by the members of his family. Search was instituted which resulted in the finding of Mr. Walker lying unconscious in the field. He was carried to the house and medical aid summoned. Reports from there early in the week were reassuring. Sunday he recovered consciousness, and if no unforeseen contingencies arise, it is thought the injured man will recover. His two sons, Dr. C. W. Walker, of Cleveland, O., and a younger brother, also a doctor, from California, were immediately sent for, and both are now at the bedside of their father. It is the earnest wish of all who know Mr. Walker that he may speedily and fully recover.—Meyersdale Republican.

Kodol will, in a very short time, enable the stomach to do the work it should do, and the work it should do is to digest all the food you eat. When the stomach can't do it, Kodol does it for it, and in the meantime the stomach is getting stronger and able to take up its regular, natural work again. Kodol digests all you eat. It makes the stomach sweet and it is pleasant to take. It is sold here by E. H. Miller. 10-1

Albert Petry Dead.

The subject of this sketch, who was one of Salisbury's most exemplary young men, died at his home in the Dennis Wagner residence, Wednesday evening, the 18th inst., aged 28 years, 7 months and 27 days.

For the past few years he suffered with tuberculosis, but rallied considerably by taking treatment at a Philadelphia institution, about two years ago. Two weeks ago, however, he suddenly began bleeding at the lungs, and the hemorrhages were so severe and so frequent that he sank rapidly until death came to his relief.

He bore his affliction and suffering bravely unto the end, and he closed his eyes upon a world of staunch and true friends, for Albert was well liked by all who knew him. He was the possessor of a kind heart, and his daily life was a most exemplary one. He was a son of the late Frank Petry, Sr., who died several years ago, and he leaves to mourn his death a wife and little daughter, also an aged mother, one sister, four brothers, and a large circle of other personal friends.

The funeral will take place Friday at 2 o'clock p. m., conducted by the Rev. L. P. Young, of the Lutheran church, of which deceased was a member.

HOW TO GET STRONG.

P. J. Daily, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at E. H. Miller's drug store. 50c. 10-1
