WHEN A MAN TELLS YOU it does not pay to advertise, he is simply admitting that he is conducting a business that is not worth advertising, a business conducted by a man unfit to do business, and a business which should be advertised for sale. 10-1

BUSH & GERTS PIANOS

The prestige of age and the high-born honor of a good name are precious things in the esteem of the people; but the credit for keeping the name good, "making good" with a high art product, is quite as potential and essential in this present-day practical age. The BUSH AND GERTS PIANO has been before the public twenty-one years, has consequently attained its majority, and has never been found wanting in possessing all the essentials of a high-grade instrument. The fact that over forty thousand BUSH AND GERTS PIANOS have been placed in American homes, and in a large number of educational institutions East and West, indicates its admirable appreciation and its vast sphere of influence.

Send for a list of 2000 patrons; also Catalogue and the name of nearest dealer handling our Pianos. Always insist upon the Manufacturers' name being cast in the plate and placed on the fall-board of every piano you buy. A postal will bring you a beautiful souvenir free. Live agents wanted in unoccupied territory.
