DRUG DECEPTION!

No business furnishes a better opportunity for the practice of deception than the drug business, and occasionally you meet with druggists who take advantage of your ignorance and substitute drugs of a cheap, inferior order for those of a better, purer grade. If you want the best of everything obtainable in a first class drug store—the finest of drugs, the freshest of patent medicines, the choicest of toilet articles, the daintiest of perfumes, get it here. You get only the best of everything.

"We find him first in Congress in the second administration of Mr. Cleveland, a member of the Ways and Means Committee, and most active in formulating the provisions of the Gorman-Wilson tariff bill. After five months' debate it passed both houses and came to Mr. Cleveland in such a shape that he denounced it as a piece of perjury. It leveled the industries of this country to the ground. It threw out of employment millions of wage-earners. It destroyed all business profit. Farm products for a lack of a market fell to a point never as low in forty years. Coxey's Army marched from the West to Washington to protest against a government under which such things were possible." [This reference to Bryan and Cleveland should be remembered. The above is the way Mr. Taft tersely tells the effect of Democratic free trade.

WOMAN INTERRUPTS POLITICAL SPEAKER.

A well dressed woman interrupted a political speaker recently, by continually coughing. If she had taken Foley's Honey and Tar it would have cured her cough quickly and expelled the cold from her system. The genuine Foley's Honey and Tar contains no opiates, and is in a yellow package. Refuse substitutes. Elk Lick Pharmacy, E. H. Miller, proprietor. 11-1
