Forest fires are this week raging fiercely again in the Peck settlement, across Negro Mountain, and also in the vicinity of Ananias Folk's, the old Jacob McCloskey place and the high knob northeast of the old John N. Davis homestead. Much damage is being done to fences and young timber. The fellows who start these destructive fires ought to be in penitentiary.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the Heart, and one to the Kidneys. When these "inside nerves" fail, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by all dealers. 11-1

We have on file, for publication, a very interesting communication from the able pen of Dr. T. F. Livengood, of Elizabeth, N. J. It may not be published before the present political campaign is over, but it is well worth waiting for. It is of a reminiscent nature and contains many interesting things concerning the early history of Salisbury. As an entertaining writer and story-teller, the genial doctor has few equals.

Nicholas Murphy, of Grantsville, Md., has our thanks for a basketful of extra nice potatoes of the good old Chilli variety, the kind that always taste good and seldom rot in the ground. Mr. Murphy is quite a farmer, and has always been liberal and hospitable. He resides at the old Wegman homestead in Grantsville, where the editor and his brothers spent many happy days with Mrs. Murphy's brothers, when all were boys together.

Go to the blood, if you are to drive out Rheumatism. A Wisconsin physician, Dr. Shoop, does this with Rheumatic Remedy—and with seeming success. Rub-on's says the doctor never did cure Rheumatism. It is more than skin deep—it is constitutional, always. Because of this principle, Dr. Shoop's Rheumatic Remedy is perhaps the most popular in existence. It goes by word of mouth from one to another, everywhere. Grateful patients gladly spread results. It is an act of humanity, to tell the sick of a way to health. Tell some sick one. Sold by all dealers. 11-1

Committeeman S. O. Newman reserves credit for seeing that a Republican club was organized. Already a large membership is enrolled, and at the meeting on Wednesday evening, the following named officers were elected: President, T. J. Engle; Secretary, Clarence D. Miller; Treasurer, J. L. Baruchus. The club will meet again next Wednesday evening, in the McKinley building, a portion of which the owner, Dr. A. O. McKinley, has consented to let the club have the use of free of charge, which is very generous and commendable on his part.

The wholesome, harmless green leaves and tender stems of a lung-healing mountainous shrub, give to Dr. Shoop's Cough Remedy its curative properties. Tickling or dry bronchial coughs quickly and safely yield to this highly effective Cough medicine. Dr. Shoop assures mothers that they can with safety give it to even very young babes. No opium, no chloroform, absolutely nothing harsh or harmful. It calms the distressing cough, and heals the sensitive membranes. Accept no other. Demand Dr. Shoop's. Sold by all dealers. 11-1

Mr. Dennis Stevanus, a popular and well known young farmer of Elk Lick township, and Miss Araminta Miller, an attractive and estimable young woman of Garrett county, Md., were united in wedlock last Sunday forenoon, at the Springs Menonite church, by the Rev. Gideon D. Miller. After the ceremony a fine reception was given to the couple at the home of the groom's parents, Mr. and Mrs. J. S. Stevanus. About thirty or forty guests participated in the happy event. The bride is a daughter of Mr. and Mrs. Eli S. Miller, who conduct a farm and green house near the Mason & Dixon line, about midway between Salisbury, Pa., and Grantsville, Md. The bride and groom are very estimable and popular young people, and THE STAR joins their many friends in wishing them much happiness and prosperity.

Our old friend and college chum, Albert Sanner, P. B. H., of Somerset, was a pleasant caller at THE STAR office, last Thursday. Aside from his

many other accomplishments, Prof. Sanner is a printer of world-wide reputation, but he hasn't been working much at the trade in recent years. He is an ardent Prohibitionist, and of late years has been devoting most of his time to putting booze out of the way. He did yeoman service in that capacity, right here in Salisbury, last week, but didn't put it quite all out of the way before he left town, as he wanted to leave some missionary work here for Congress man Bill Likins and others. Prof. Sanner is a well read man, as his physiognomy plainly indicates, and he knows how to fight booze in the most effective manner to get it out of the way. He says it is useless to pray to God to put whisky out of the world; but goes on the theory that the way to get whisky out of the way is to get as much of it as possible, whenever there is an opportunity to do so, and then proceed to make short work of it as speedily as possible. His position is a logical one, and he lives up to what he believes.

WOULD MORTGAGE THE FARM.
 A farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica-Salve cured the two worst sores I ever saw; one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c. at E. H. Miller's drug store. 11-1

MURDERER ESCAPES.
 Joe De Francesco, who was convicted of the murder of a fellow countryman in Elk Lick township, in 1906, and who was sentenced to death and afterwards had the death sentence commuted to life imprisonment, owing to the fact that he was violently insane, escaped from the Dixmont Asylum, Tuesday night of last week, and there is no clue to his whereabouts.

SAVED HIS BOY'S LIFE.
 "My three year old boy was badly constipated, had a high fever and was in an awful condition. I gave him two doses of Foley's Orino Laxative and the next morning the fever was gone and he was entirely well. Foley's Orino Laxative saved his life." A. Wolkush, Casimer, Wis. Elk Lick Pharmacy, E. H. Miller, proprietor. 11-1

MARRIAGE LICENSES.

 George W. Lybarger, of Meyersdale, and Rose Ann E. Smith, of Berlin.
 Charles F. Mosgrave, of Stonycreek township, and Margaret I. Engleka, of Brothersvalley township.

 Willis Doty Fuller and Bertha Viola Rhoads, both of Somerset.

ARE YOU ONLY HALF ALIVE?
 People with kidney trouble are so weak and exhausted that they are only half alive. Foley's Kidney Remedy makes healthy kidneys, restores lost vitality, and weak, delicate people are restored to health. Refuse any but Foley's, Elk Lick Pharmacy, E. H. Miller, proprietor. 11-1

MONEY IN BEES.
 A pleasant and profitable occupation for a woman living in the country is bee-keeping. One requires a small capital for this business; also one needs to study enough to understand the habits and needs of the bees, so as to care for them properly and obtain the best results. It means thought and pin-taking, but it also means success. One woman who keeps bees says that her income is now twelve hundred dollars a year, and she started with two hives.—New Idea Woman's Magazine for November

MARRIED MAN IN TROUBLE.
 A married man who permits any member of the family to take anything except Foley's Honey and Tar, for coughs, colds and lung trouble, is guilty of neglect. Nothing else is as good for all pulmonary troubles. The genuine Foley's Honey and Tar contains no opiates and is in a yellow package. Elk Lick Pharmacy, E. H. Miller, proprietor. 11-1

B. & O. FREIGHT WRECK.
 Four refrigerator cars and a caboose were smashed in a freight wreck near Brooks' tunnel, Tuesday morning. Engineer Ed White was eastbound with the fast freight in charge of Conductor William F. Howard, when he collided with a westbound freight in charge of Engineer Calvin R. Shupp and Conductor Board.

It was necessary to call out the Connellsville wrecking crew, but before the wreck could be cleaned up, train No. 6 was delayed for a short time. It is believed that the wreck was caused by a misunderstanding of orders.

A HEALTHY FAMILY.
 "Our whole family has enjoyed good health since we began using Dr. King's New Life Pills, three years ago," says L. A. Bartlett, of Rural Route 1, Guilford, Maine. They cleanse and tone the system in a gentle way that does you good. 25c. at E. H. Miller's drug store. 11-1

GOOD HOME RECIPE.

Mix This Simple, Helpful Recipe at Home and Try It, Anyway.

Get from any prescription pharmacist the following:
 Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered as the most certain prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home, when asked, stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.

A JEWELER'S EXPERIENCE.

C. R. Kinger, The Jeweler, 1080 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day, and recommend Foley's Kidney Remedy to all sufferers as it cured me after the doctors and other remedies had failed. Elk Lick Pharmacy, E. H. Miller, proprietor. 11-1

THE GARRET COUNTY SCRIBBLER.

To the Garrett county scribbler who has lately been posing as a Republican converted to Bryanism, and has been slopping over through the columns of the Oakland Journal and Democrat, we have the following parting words to say:

You never were a Republican, and neither are you a genuine Christian. Many people have you set down as a big, mushy, idle, palvering Democrat, one who is far a better judge of rotgut whisky than of other men's religious motives and beliefs. We think we could tell your name the first guess. If you are not a deceiver, be man enough to come out from behind your *nom de plume* and fight for your convictions in the open. Take off your mask, you cringing coward and deceiver, and we'll make you feel like 30 cents. We dare you! We defy you to publish your real name!

WOMAN INTERRUPTS POLITICAL SPEAKER.

A well dressed woman interrupted a political speaker recently, by continually coughing. If she had taken Foley's Honey and Tar it would have cured her cough quickly and expelled the cold from her system. The genuine Foley's Honey and Tar contains no opiates, and is in a yellow package. Refuse substitutes. Elk Lick Pharmacy, E. H. Miller, proprietor. 11-1

that is not anxious to preserve the beauty of her complexion; the softness of her skin. When the balmy breezes of the summer time yield to the chilling winds of October, the tender skin is roughened by the sudden change, and the maiden no longer views with joy her matchless complexion—her soft, white hands.
