# Better Not Get Dyspepsia

If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have trifled with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only a partial digester—and physics are not digesters at all. Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.

**Our Guarantee**

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you can honestly say, that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains 2 1/2 times as much as the fifty cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.

These Elegant Steel Griddles. They Delight All Who Try Them

THE STAR has secured a limited number of the famous Schofield Patent Steel Cake Griddles, one of the most desirable kitchen articles on the market, and while the supply lasts, we will present one of these griddles, ABSOLUTELY FREE OF CHARGE, to each person who pays THE STAR \$2.50 or more at a time on subscription. This offer applies to new and old subscribers alike, but only to those who can call at THE STAR office for the griddles.

DESCRIPTION AND DIRECTIONS—Sets on top (not in). Fits any stove, is made of steel; cannot break. Is thoroughly practical and a genuine success. Open it and set on any stove having a flat surface. Grease the beveled edges of the little round pans, as well as the bottom, and put in your batter. As soon as done on one side, throw the little round pans over quick with a fork, and when the jar takes place, the cake will drop out of the round pans; then throw it back with a fork and refill with batter. In this way you can keep six cakes going at once, and can bake six cakes per minute, every cake the same thickness and exact size, and as light and sweet as griddle cakes can possibly be made.
