Last Saturday night Mrs. Nathaniel Slicer, of Meyersdale, slipped, and in some manner wrenched her body in such a way as to produce a very dangerous hernia. Last Saturday the editor and wife and the editor's brother, W. S. Livengood, spent a most pleasant day at Somerset, the guests of Mr. and Mrs. Frank O. Livengood. Livengood lived on their old home farm in the old Elk Lick, where the editor, and his brothers occasionally assisted them at farming.

While in Cumberland, Md., yesterday, we had the pleasure of meeting two of our old acquaintances and friends, namely, Dr. G. J. Beachy, the well-known dentist who resided in Salisbury for many years, and Charles Bonig, one of our old Grantsville schoolmates, who now has charge of the Adams Express Company's office in that city. Joseph Gonder, a Cumberland Justice of the Peace, is another old acquaintance we had the pleasure of calling upon. We found the gentlemen mentioned all well, happy and apparently prosperous.

W. S. Livengood, the editor's brother, who had been visiting here for more than a week, took his departure on Tuesday evening last. The editor accompanied him as far as Cumberland, Md., where he spent a pleasant evening at one of the hotels, with W. S. and Alex. Livengood, the latter a well-known commercial salesman of Everston, Pa., but formerly of Salisbury. W. S. made short visits to several Cumberland friends, then went to Elkins, W. Va., to pay a short visit to his friends and cousins, the Keim brothers. He will leave there for Roanoke, Va., tomorrow, where he will likely have an engagement with one of the Roanoke daily papers during the next few months.

Always have Kennedy's Laxative Cough Syrup handy, especially for the children. It tastes nearly as good as maple sugar. S. C. Hartley, the well-known Meyersdale merchant, greets our readers, this week, with a full page advertisement of his 18th annual Red Letter Sale, and Appel & Glessner, another Meyersdale firm, have a nice lot of interesting local in this issue of THE STAR concerning their great Yellow Carnival, a special sale which is now on and drawing great crowds. Both S. C. Hartley and Appel & Glessner rank high among the mercantile firms of Somerset county, and they are noted far and wide for their honest business methods, big values in desirable merchandise, etc. We take pleasure in recommending such enterprising and fair-dealing firms to our many readers in all parts of Somerset county. They are among the firms that never misrepresent anything they sell.

We call special attention to Barchus & Livengood's mid-winter clearance sale advertisement in this issue of THE STAR. It will pay anyone to read every word of it, as it means a big saving to all who are in need of any of the splendid values quoted therein. The Barchus & Livengood store is one of the progressive, reliable stores that can be depended upon at all times for the best goods at the lowest living prices, and when Barchus & Livengood advertise clearance prices, it means a double saving on all manner of seasonable goods of genuine merit. On goods in their line, no better values are to be had anywhere than they are offering you. Unlike some firms, Barchus & Livengood do not first mark their goods up in order to make an apparent reduction, but the reductions they offer are real and genuine reductions, and made on good, honest goods which they were selling at a close margin before the clearance sale prices were advertised. Their clearance sales are always among the greatest money-saving events in Somerset county, and the large amount of business they bring to the Barchus & Livengood store is well merited.

INDIGESTION ENDS.

Misery from Your Disordered Stomach goes in Five Minutes.

You can eat anything your stomach craves without fear of a case of Indigestion or Dyspepsia, or that your food will ferment or sour on your stomach, if you will occasionally take a little Diapiesin after eating.

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Biliousness, Heartburn, Water brash, Pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapiesin really does all the work of a healthy stomach. It digests your meals when your stomach can't. Each triangle will digest all the food you can eat and leave nothing to ferment or sour.

Get a large 50-cent case of Pape's Diapiesin from your druggist and start taking today, and by tomorrow you will actually brag about your strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.

The announcement by one of the candidates for Sheriff, last spring, that in the event of his election, he would purchase bloodhounds to run down criminals, was not given much serious consideration at the time; but, in view of the large number of robberies being committed each week, such an investment might prove profitable.—Somerset Standard.

Nine out of ten persons have kidney trouble. They don't always have it bad. That's why they neglect it. The kidneys have few nerves. They are ailing a long time before the terrible pain begins. In fact, kidney trouble may be well advanced before you feel it. That is why it is so necessary to notice the slightest irregularity. If anything is wrong with your kidneys it should be attended to at once. Don't take strong, drastic drugs. They are dangerous. You will be perfectly safe and sure of a permanent cure by taking DR.
