GREAT MID-WINTER CLEARANCE SALE!

JANUARY 15 TO FEB. 1, 1909.

An event that will eclipse all previous sales in genuine price concessions. After years of repetition, our Mid-Winter Clearance Sale should require no introductory comment. We must reduce our stocks prior to the taking of inventory. It is our intention to make a complete clearance of all winter goods, and never before have our prices indicated such a grim determination to accomplish this result.

Can you realize the importance of attending this sale? It is an exceptional opportunity. You cannot afford to overlook it. We mention below only a few of the many, many bargains in each department. Remember the dates. No goods sold at these prices before the time advertised.
