

S. C. HARTLEY'S

16th Annual Red Letter Sale! January 16th to Feb'y 6th, 1909.

The mere mention of our Red Letter Sale is sufficient to attract the attention of careful and prudent buyers. The tremendous success that attends these sales is conclusive proof of what they mean to the people. We are not going to offer you merely an accumulation of odds and ends, but also a lot of new, seasonable goods for spring, which we recently bought actually below their value. **WE SHALL MAKE THIS SALE A HUMMER.** The goods and Red Letter prices marked on red tickets, in plain figures, at enormous reductions, will do the business. We will also have our White Goods Sale in connection with our Red Letter Sale. We will quote only a few prices, as the red ticket attached to the goods gives the prices more satisfactory than on paper.

We have a good line of all grades of carpet—Ingrain, Brussels, Velvets and Axminsters. We will give you 10 per cent. off on all carpets, room-size rugs, matting, linoleum and floor oilcloth. Our regular prices are lower than a year ago, hence this is the greatest cut we ever made on carpet. We have the goods, and if you need anything in this line, this is certainly a special opportunity to save money. We were fortunate in securing a line of beautiful patterns and good grade of table oilcloth suitable for walls in dining rooms, etc. Now listen—the price during this red letter sale is only 12½ cents per yard. How does that strike you? Better than to pay 18 cents, isn't it?

Shoe Room.

132 Pairs ladies' excellent quality shoes, Carlisle and other good makes, \$2.00 and 2.50, Red Letter price only 1.50. Also have in stock 119 pairs of the celebrated Douglas men's high grade shoes, patent bold, good style, which we will close out as follows: \$3.00 grade at 2.00; 3.50 grade at 2.00. These shoes are too well known to require comment. Don't overlook this special opportunity to save money. We have taken shoes from all sections of our shoe room and put them on the Red Letter counter, marked at tremendous reductions with the red ticket. We will give 10 per cent. off on all shoes, also 10 per cent. off all gum goods during this red letter sale.

Remember What These Great Reductions Mean When Considering Our Former Close Prices! You Must Save Money, No Difference What You Buy During This Sale,

as we make reduction all along the line, in all departments, having put the red ticket on hundreds of articles at tremendous reductions which we cannot enumerate here. We haven't bought a single cheap piece of goods, nor anything in order to make it sound cheap. That would not pay you or us. This sale is not hot air, but we furnish the goods. Haven't you always found our sales as straight as a die, and more than you expected? Our goods must be just as represented, or your money back. Call and see us. Remember, Jan. 16th to Feb. 6th, 1909.
