Good schools and good roads are a grand thing to have in a community. In order to have these things, people must be educated to take pride in them. Your home paper can and will do more to encourage these things than any other agency. The school children read with pleasure the home happenings, and as they grow up become interested and make useful citizens. Give the children the home paper to read. It costs you but a trifle.

One night last week a spirited combat took place in West Salisbury, between Col. Al. Swartzwelder and Mose Heinbaugh, according to a late cablegram from the seat of war. The genial colonel, however, denies that there was a real fight on hand. He says the other fellow tried to hurt him, but as the colonel did not feel like being hurt that day, he successfully objected. Then there came a burst of thunder sound, and Mose, oh, where was he? Ask of the window panes, which far around strewed fragments all could see.

Clarence Miller and family have moved to New Kingston, Pa., where Clarence has secured a good job in the works of the Aluminum Company of America. In writing to have THE STAR mailed to his address, he says: "The department in which I work is the work-

shop. They manufacture all kinds of cooking utensils, but I do not work on them. I work in the tool room, where the repairing for the factory is done, and new dies, tools and appliances are made for the manufacture of the utensils." We wish Clarence much success in his new field of labor, but are sorry he is no longer a citizen of Salisbury.

There is not any better Salve than DeWitt's Carbolized Witch Hazel Salve. We hereby warn the public that we are not responsible for any injurious effects caused from worthless or poisonous imitations of our DeWitt's Carbolized Witch Hazel Salve, the original. It is good for anything when a salve is needed, but it is especially good for piles. Be sure you get DeWitt's. Sold by E. H. Miller. 3-1

A young man with a practical knowledge in his head, skill in his hands and health in his body is his own letter of references. Mix him up with sixty millions of others, and you will find him again, as he will have a habit of being on top. Throw him naked onto a desert island, and he will be at the head of something. He does not go whining over the land, blaming fortune and saying he has no chance, but goes out and does something, and goes out and does it again and better. Men that can do things either with head or hands, are the men that are wanted, and demand is as great now as it has been at any time since the beginning.

This is just the time of year when you are most likely to have kidney or bladder trouble, with rheumatism and rheumatic pains caused by weak kidneys. Delays are dangerous. Get DeWitt's Kidney and Bladder Pills, and be sure you get what you ask for. They are the best pills made for backache, weak back, urinary disorders, inflammation of the bladder, etc. They are antiseptic and act promptly. We sell and recommend them. E. H. Miller. 3-1

David Lichty, one of Salisbury's oldest and best known citizens, has completely recovered from a severe injury he met with a few months ago, when he slipped and fell on his front porch. He is looking as well as before he met with the accident, and he says he feels as well. He gets around as well as most men 20 years his junior, and he still has the honor of paying for more subscriptions to his home paper than any other man in the town. His six subscriptions were paid in advance, this year, as usual, and when a man treats his home paper right, his home paper always treats him right, and rejoices in his continued good health, prosperity and peace of mind.

C. R. Kluger, the Jeweler, 1080 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day, and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed." Elk Lick Pharmacy, E. H. Miller, Prop. 3-1

Our friend John Tedrow, of Jerome, Pa., was a welcome caller at THE STAR office, last Friday. He dropped in to renew his subscription to the "Twinkler," and, incidentally, to have a little chat with the editor. He reports the coal trade very brisk at Jerome, and we know that John wouldn't stay there very long if it wasn't that way, for he is a man who can't and won't stand idleness. If work gets scarce where he is, he goes in search of it, and always finds it, too. We know a great many working-men who would rather sit around bellyaching about hard times, seven days in the week, than to search one day for a job. Too many idle men do not search for work for fear of finding it.

We had the pleasure of meeting Conrad Bodes, in Meyersdale, Tuesday noon, and enrolling his name as a voluntary subscriber to THE STAR. Mr. Bodes operated a woollen factory on Shade run, about 2 miles northwest of Grantsville, Md., for a number of years. But that was more than a score of years ago. He went to Nebraska after quitting the woollen mill, locating near Lincoln, where he resided three years, then moved to Oklahoma, where he has become a prosperous farmer and land owner. He pronounces Oklahoma a veritable God's country, and when we saw him on Tuesday he was about to take his departure for his western home, after completing a very enjoyable visit of several weeks' duration among his many friends in Garrett county, Md., and Somerset county, Pa. We have known Mr. Bodes from our boyhood, and as he is a dandy good fellow, we are much pleased to know that he is prosperous and happy.

HEXAMETHYLENETRAMINE.

The above is the name of a German chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities, and avoid a serious malady. Elk Lick Pharmacy, E. H. Miller, Proprietor. 3-1

WAS MIXED OFTEN.

Druggists Hear Much Praise for Simple Home-Made Mixture.

Some remarkable stories are being told about town and among the country people coming in of this simple home-made mixture curing Rheumatism and Kidney trouble. Here is the recipe and directions for taking: Mix by shaking well in a bottle one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Take as a dose one teaspoonful after meals and at bedtime.

No change need be made in your usual diet, but drink plenty of good water.

This mixture has a peculiar tonic effect upon the kidneys; cleansing the clogged-up pores of the eliminative tissues, forcing the kidneys to sift and strain from the blood the uric acid and other poisonous waste matter, overcoming Rheumatism, Bladder and Urinary troubles in a short while.

A druggist here who has had hundreds of calls for these ingredients since the first announcement in the newspapers last October, stated that the people who once try it "swear by it," especially those who have Urinary and Kidney trouble and suffer with Rheumatism.

All the druggists in this neighborhood say they can supply the ingredients, which are easily mixed at home. There is said to be no better blood-cleansing agent or system tonic known, and certainly none more harmless or simple to use.

Death of Mrs. Catharine DeHaven.

Mrs. Catharine De Haven, one of the oldest and most highly esteemed women of Salisbury, died at her home on Union street, last Sunday night, aged 74 years and several months. She was the wife of Henry DeHaven, who survives her. She is also survived by her youngest daughter, Mary, who cared for her during her last illness.

The cause of her death was cancer of the bowels, and she suffered long and intensely until relieved by death, but bore her afflictions bravely. Deceased was a sister of Simon Tedrow and Mrs. Phoebe Breig, who also survive her.

Catharine DeHaven was born in Upper Turkeyfoot township, this county. She was a woman of many good qualities, and was at all times eager to aid those stricken by disease and other misfortunes.

The funeral was conducted by Rev. Hardy, of Meyersdale, pastor of the Evangelical Association, of which denomination deceased was a member. The service was held at the Salisbury United Evangelical church, where the local pastor of that denomination, the Rev. Mr. Miller, assisted.

Death of Mrs. Araminta Lung.

Mrs. Araminta Lung, a widowed daughter of Mr. and Mrs. Simon Tedrow, died at her home at Jerome, this county, Wednesday of last week, aged 83 years. Her malady was cancer of the bowels.

The remains were brought to the home of her parents, in this borough, and interred in the I. O. O. F. cemetery on Friday last. Deceased was the wife of the late Charles Lung, who some years ago resided here, but died in Johnstown, Pa., several years ago. She is survived by two young sons, also by her parents and several brothers and sisters. Her life was full of trouble and suffering, but she always did the best she could, and her sympathizing friends were at all times numerous and helpful. She is now at rest. Peace to her ashes.

The funeral was conducted by Rev. H. S. May, of the Reformed church, of which deceased was a member.

Richard Jeffery Passes Away.

The remains will arrive here for interment on Friday afternoon. Deceased was more than 80 years of age. He was the father of the late Jesse T. Jeffery, who conducted a grocery in Salisbury for a number of years, but who moved to Brownsville, Pa., where he died by his own hand, about a year ago. The wife of Richard Jeffery died in this borough some years ago.
