Country Newspapers in Europe.

In England and on the Continent the smaller daily paper as it is known in America is practically non-existent. This seems to be due principally to two causes; first, short distances and fast trains, bringing the cities in close touch with outlying districts; second, the extent to which the great capitals dominate everything, even in the matter of news.

The greater part of France can be reached from Paris within a few hours, and the same is true of England and London, Vienna, Berlin, Paris, Madrid, London, St. Petersburg—each of these capitals furnishes more news to the world than all the balance of its respective nation.

It is interesting to note how the different papers reflect the character of their readers. In England the general tone of reading matter is staid, conservative, with a strong leaning towards the traditional. In Paris it is excitable, sensational, radical. In Germany there is the same slow, easy-going thoroughness and regard for one definite idea which permeates their daily lives, while in Italy the papers show very clearly the careless, pleasure-loving indolence of the people.

Unquestionably one of the greatest safety valves of the American nation is the country press, which centers the life interests of each community within itself, rather than focusing too much attention upon our great cities. If Paris were destroyed, all France would be prostrate. If San Francisco or Chicago or New York were destroyed, there would be no feeling of despair. It would, however, arouse in the nation a tremendous sympathy for the sufferers from the calamity—a feeling which would bear fruit in immediate aid to the stricken city.—Printers' Album.

SIMPLE REMEDY FOR LA GRIPPE.

MISERY IN STOMACH.

And Indigestion Vanishes in Five Minutes and You Feel Fine.

Why not start now—today, and forever rid yourself of Stomach trouble and Indigestion? A dieted Stomach gets the blues and grumbles. Give it a good eat, then take Pape's Diapepsin to start the digestive juices working. There will be no dyspepsia or belching of Gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and Dizziness, and your food will not ferment and poison your breath with nauseous odors.

Pape's Diapepsin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of Indigestion and Upset Stomach in five minutes.

There is nothing else better to take Gas from Stomach and cleanse the stomach and intestines, and besides, one triangle will digest and prepare for assimilation into the blood all your food, the same as a sound, healthy stomach would do it.

When Diapepsin works, your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolute relief from all Stomach Misery is waiting for you as soon as you decide to begin taking Diapepsin. Tell your druggist that you want Pape's Diapepsin, because you want to be thoroughly cured of Indigestion.

THE LURID GLOW OF DOOM

His awful plight from eczema had, for five years, defied all remedies and baffled the best doctors, who said the poisoned blood had affected his lungs and, nothing could save him. "But," writes his mother, "seven bottles of Electric Bitters completely cured him." For Eruptions, Eczema, Salt Rheum, Sores and all Blood Disorders, and Rheumatism, Electric Bitters is supreme. How Lincoln Won the Horse Trade.

"Lincoln was a lawyer practicing in the Illinois circuits at the time. He and a judge once joked each other about horse trades. The upshot of the matter was that the two agreed to meet at a designated hour the next day to make a trade. The horses up to the hour of the trade were to be unseen. There was to be no withdrawing from the agreement under forfeiture of \$25. A few friends had heard the bet made, and passed the word around. As a result, quite a crowd was on hand to witness the exchange.

"The judge came up first, leading about the worst looking animal he had been able to find. Where he had 'discovered' it no one ever knew. He had not been at the appointed place but a few minutes when Lincoln came up, carrying a wooden saw-sore on his shoulders.

"The crowd which had gathered was hilarious at the sight. This was greatly augmented when Lincoln sat down on his saw-horse, critically surveyed the judge's imitation, and exclaimed: "Well, judge, I must say, this is the first time in my life I ever got the worst of a horse trade!"

Better Not Get Dyspepsia

If you can help it, Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have suffered with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only a partial digester—and physics are not digesters at all.

Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.
