### MAKE IT YOURSELF.

Says Many Persons Here Can Be Made Happy Again By Using It.

There is so much Rheumatism here in our neighborhood now that the following advice will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the Kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

#### How to Easily Avoid Becoming a Drunkard.

Washington, D. C., March 19.—"If you have a strong appetite for alcohol and tobacco, and want to be cured of the habits, just eat a vegetable diet for six months."

This is the advice given to-day by Dr. D. H. Kress, of this city, in an address on "Dyspepsia and its Relation to Inebriety," before the American Society for the Study of Alcohol and Other Drug Narcotics. He discussed the evil effects of an excessive diet, and said overeating leads to drunkenness.

"If you would not become a drunkard," said Dr. Kress, "quit eating meat."

#### SIMPLE REMEDY FOR LA GRIPPE.

La grippe coughs are dangerous, as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough, but heals and strengthens the lungs, so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs, and is in a yellow package. Refuse substitutes. Elk Lick Pharmacy, E. H. Miller, Prop. 4-1

#### Reasons for Windy Seasons.

Some of the wise ones are trying to solve the reason why we have had so many hard wind storms, this winter. That's easy. The legislatures of the several states, and the National congress have been in session all winter, besides, Bryan and Carrie Nation are touring the country.—Oakland Journal
