Rings Dyspepsia Tablets RELIEVE INDIGESTION AND STOMACH TROUBLES

ELECTRIC BITTERS THE BEST FOR BILIOUSNESS AND KIDNEYS.

Dr. King's New Life Pills The best in the world.

Better Not Get Dyspepsia

If you can help it, Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have trifled with indigestion, have been sorry for it when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only a partial digester—and physics are not digesters at all.

Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.

GUARD YOUR KIDNEYS

Does your back ache? Is your skin leathery and yellow. Is your urine murky? These symptoms are sure signs of the dreaded kidney trouble. Nine out of ten persons have kidney trouble. They don't always have it bad. That's why they neglect it. The kidneys have few nerves. They are sitting a long time before the terrible pain begins. In fact, kidney trouble may be well advanced before you feel it.

That is why it is so necessary to notice the slightest irregularity. If anything is wrong with your kidneys it should be attended to at once. Don't take strong, drastic drugs. They are dangerous.

You will be perfectly safe and sure of a permanent cure by taking

DR. THACHER'S LIVER & BLOOD SYRUP

This great home remedy cures kidney trouble by removing the cause and driving the inflammation and the disease out of the affected organs.
