Gurley is making his word good, alkidnappers do not deserve being put to death, but because the death penalty for kidnapping would greatly imperil the lives of those kidnapped. The Connellsville Courier points out the doubtful wisdom of inflicting the death penalty for kidnapping, in the following gamblers is a dangerous aggregation to have at a place where there is as much inflammable matter as is usually found about a livery stable. A TIMELY QUESTION.

Out at Spokane, Washington, dispatches tell us, an old hen has aban-doned her brood of chickens and is caring for a litter of Poland China pigs; but what is that compared with a white woman who leaves her baby to the care of a pup or two?-Cumberland

Buy dolls or your little girls to nurse, not dirty animals to brutalize their affections There is nothing nice about a bear or a 'possum to nurture good sentiment in the little girl, but there is in the doll. Don't connect a nice little child with a slimy 'possum.—Philip's Boy in Cumberland Alleganian.

Right you are, Mr. Philip's Boy. It is time for the Teddy bear craze to subside, and we join you in hoping that no similar craze will take its place. The clumsy and tiresome Buster Brown pictures in the comic sections of the Sunday newspapers should also be suppressed, as well as much other pernicious stuff of the same sort. Keep right after the monstrosities that need editorial attention, Mr. Philip's Boy, and in consideration of the wisdom contained in the foregoing production of your pen, we suggest that hereafter you be dubbed "The Sage of Wills Creek." So mote it be!

KIDNAPPING.

Since the kidnapping of Willie Whitla has taken place, and the alleged kid-nappers captured, much sympathy is being wasted on the woman in the case. Emotional and hysterical people are daily discovering many indications of so-called refinement in the woman, and they freely express the hope that if she is found guilty, that a light sentence will be given her.

They try to create sympathy for Mrs. Boyle because she is a woman and appears to have been well raised. How much sympathy would the ultra sentimental man have for Mrs. Boyle if the kidnapped boy had been a member of mind of the ultra sentimental man, and he would yell loudly for the direst vengeance that could be inflicted.

Then there was a general scatterment, for Mr. Stotler had unearthed a nest of poker players, and that allowed the door to be speedily opened.

TWO HOTEL MEN MOVE.

Much Free Booze to Helpers Brings on Most Disgraceful Scenes.

West Salisbury was the scene of numerous disgraceful stunts committed by drunken men. yesterday, as the result of two movings at the West Salisbury hotel. Landlord Holler moved out, and Landlord Paschke moved in, and the men who helped them carry out and in the furniture, were, of course, liberally treated.

A general debauch was the result, and certain respectable people who who leaves the care of her baby to a negro nurse, or any other kind of a nurse, while the mother is fondling, nursing or bathing a stinking, hideous looking poodle dog, as many of them do, places herself beneath the level of of the road, leaning against a picket fence, while others were filling the air

A hotel is no more needed in West Salisbury than a saloon is needed in the Assembly room of our county Court House, and the saloon end of it has ever been the curse of a number of poor families in West Salisbury. We fell positive that if all Salisbury. reports are true that came from West Salisbury yesterday, (and there seems to be no room for doubt) that at least two hotel men would promptly have their licenses revoked, if Judge Kooser would have been an eye-witness of af-fairs in and about the West Salisbury hotel when the two landlords moved

Some Surprised Gamblers.

Last Sunday morning C. W. Stotler, the well-known Salisbury liveryman, got up at an early hour to hitch up a team for a customer, but when he ar-rived at his stable and tried to flash on the electric light, the light refused to flash.

Woman Claiming to be from Somerset, Figures in Sensation.

Uniontown, March 29.—A scandal was unearthed last night when Mrs. William J.
