Foley's Honey and Tar is a safeguard against serious results from spring colds, which inflame the lungs and develop into pneumonia. Avoid counterfeits by insisting upon having the genuine Foley's Honey and Tar, which contains no harmful drugs. Elk Lick Pharmacy, E. H. Miller, Prop. 5-1

Children especially like Kennedy's Laxative Cough Syrup, as it tastes nearly as good as maple sugar. It not only heals irritation and allays inflammation, thereby stopping the cough, but it also moves the bowels gently and in that way drives the cold from the system. It contains no opiates. Sold by E. H. Miller. 5-1

James and Sidney Easton left Salisbury for Indianapolis, last Saturday morning, to accept positions with a company engaged in the manufacture and operating of mineral drills. We often wonder how any person can be persuaded into taking anything but Foley's Honey and Tar for coughs, colds and lung trouble. Do not be fooled into accepting "own make" or other substitutes. People past middle life usually have some kidney or bladder disorder that saps the vitality, which is naturally lower in old age. Foley's Kidney Remedy corrects urinary troubles, stimulates the kidneys, and restores strength and vigor. It cures uric acid troubles, by strengthening the kidneys so they will strain out the uric acid that settles in the muscles and joints, causing rheumatism. Elk Lick Pharmacy, E. H. Miller, Proprietor. 5-1

A bright little son of Mr. and Mrs. Jeremiah Yost, of Garrett county, Md., died recently. The funeral took place one day last week. Deceased was aged about 3 years. The little boy was a great favorite of his grandfather, Mr. Henry Yost, and was his constant companion. He will be sadly missed by the aged grandfather and the other surviving members of the Yost household, and we sympathize with them most keenly in their bereavement.

George C. Huston, who for a number of years clerked in the Elk Lick Supply Company's store, resigned his position some time ago to engage in dairying and farming in Bedford county, Pa., with his brother William. The farm they have leased is not far from Ellerslie, and their prospects for a successful business are very bright. We trust that their fondest hopes may be fully realized, for they are both first rate fellows. George left here on Monday morning for the farm, and it was with much regret that his many Salisbury friends saw him depart.

During the spring every one would be benefited by taking Foley's Kidney Remedy. It furnishes a needed tonic to the kidneys after the extra strain of winter, and it purifies the blood by stimulating the kidneys, and causing them to eliminate the impurities from it. Foley's Kidney Remedy imparts new life and vigor. Pleasant to take. Elk Lick Pharmacy, E. H. Miller, Proprietor. 5-1

Constable E. M. Swearman, of Meyersdale, recently made a raid on the slot machines of that town, confiscating some of them, according to law. Constables are usually blind, and willfully blind to their sworn duty relating to slot machines of the strictly gambling sort, and it is indeed refreshing to hear of a constable so vastly different from the common run of constables as Constable Swearman seems to be. Most constables regard a solemn oath very lightly. That's why they are usually blind to many things their official oath requires them to take action on.

We acknowledge the receipt of a very neat booklet sent out by Swift & Company, one of the great meat packing firms of Chicago. The booklet contains prints of a lot of their advertising cuts, together with a lot of bright, catchy advertising suggestions to retail dealers in their products. Swift & Company furnish their handsome advertising cuts free of charge to all retail dealers in their products who apply for them, the big packing firms having long ago learned the great value of advertising, and they are anxious for the retail dealers in their products to share the benefits to be derived from advertising.

Mr. F. G. Fritts, Oneonta, N. Y., writes: "My little girl was greatly benefited by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is best for women and children, as it is mild, pleasant and effective, and is a splendid spring medicine, as it cleanses the system and clears the complexion. Elk Lick Pharmacy, E. H. Miller, Proprietor. 5-1

Next week Miss Alice Beal will go to Boswell, where she has accepted a position in the large department store of the Quemahoning Supply Company. The best wishes of her many Salisbury friends will go with her. Miss Alice has been clerking for the Elk Lick Supply Company, of this place, ever since that company is in business here, and she has made hosts of friends. She is an ideal clerk, and we are indeed sorry to know that she has decided to accept employment in another town. However, as the Elk Lick Supply Company's store is about to be discontinued here, Miss Alice has decided to go to Boswell, where we know she will soon have as many friends as in Salisbury.

The editor's brother, W. S. Livengood, who recently conducted a very successful subscription contest for the Evening World, at Roanoke, Va., completed his contract with that paper on the evening of March 27th, and has since gone to Elkins, W. Va., where he will likely contract with one of the newspapers of that town for a contest. Some valuable and desirable prizes were awarded to the contestants at Roanoke, and it affords us much pleasure to announce that Thelma Yost, a 12-year-old daughter of our cousin John H. Yost, a prominent Roanoke business man, won first prize, a fine \$1,100 Reo automobile. Miss Yost had the active support of the anti-saloon people in Roanoke, her father being the Treasurer of the Anti-Saloon League in that city. The little girl also received much aid from her friends and relatives in Garrett county, Md., and Somerset county, Pa.

You should not delay under any circumstances in case of Kidney and Bladder trouble. You should take something promptly that you know is reliable, something like DeWitt's Kidney and Bladder Pills. They are unequalled for weak back, backache, inflammation of the bladder, rheumatic pains, etc. When you ask for DeWitt's Kidney and Bladder Pills, be sure you get them. They are antiseptic. Accept no substitutes; insist upon getting the right kind. Sold by E. H. Miller. 5-1
