THE HOME MODEL WASHER

contains new features worthy of your consideration. The tub is made of cypress wood. The inside is corrugated like a washboard. The lid fits tight and prevents the escape of steam and heat. The agitator or rub board is different from all others and a big improvement. You should know all about it. The lever, shaft and agitator are all connected together in a way so there is no lost motion. It cannot tear the clothes, and is rust-proof. By means of a thumb nut the lever can be set for long or short leverage and to turn the handle downward so the operator can be seated. Send for circular which shows and explains all the features. Guaranteed. Manufactured by

GUARD YOUR KIDNEYS

Does your back ache? Is your skin leathery and yellow. Is your urine murky? These symptoms are sure signs of the dreaded kidney trouble. Nine out of ten persons have kidney trouble. They don't always have it bad. That's why they neglect it. The kidneys have few nerves. They are ailing a long time before the terrible pain begins. In fact, kidney trouble may be well advanced before you feel it.

That is why it is so necessary to notice the slightest irregularity. If anything is wrong with your kidneys it should be attended to at once. Don't take strong, drastic drugs. They are dangerous.

You will be perfectly safe and sure of a permanent cure by taking

DR. THACHER'S LIVER & BLOOD SYRUP
