Brandreth's Pills are sold at 25 cts per box (with full direction-)

BY J. HAYES & CO., Lewisburg, and by ONLY one Agent in every town in the Union. Each Agent has a Certificate of Agency. Examine the box of pills always and compare it with the fac-simile labels on the Certificate of Agency. As there is a counterfeit of the new label out, this is of much importance, as there is a decided difference between the appearance of the true labels and those of the counterfeit. The counterfeit is done on stone; the genuine are done on steel. The appearance of the printing on the counterfeit is ragged and blurry; the genuine label is the very pink of neatness, both in printing, paper, and general execution.

Be very careful and go to the Agent, when you want Brandreth's Pills: then you are sure of the genuine article. When you purchase otherwise, inquire of the seller whether he knows the pills he offers you are the genuine Brandreth's? Every man knows whether the article he offers is true or false Beware of cheats!

All he asks is a call, and you will be convinced of the above fact. Also the first quality of Wines and Liquors, expressly for Sacramental and Medicinal purposes, kept constantly on hand. Worm Specific—M'Lane's Vermifuge!

THIS invaluable remedy for Worms is rapidly supplanting all others, in public estimation. Where it is used it has produced the best effects, and driven out all other remedies. "It is the best they have ever seen," is the remark of all who have ever used it in their families.

Tyré Springs, Sumner Co. Ten. Feb 19, '48

J. Kidd & Co.—I received a lot of M'Lane's Vermifuge from your agent last spring, which I sold out in one week, and I think I could have sold 1000 bottles by this time if I could have got it, but not knowing where to get it I had to wait until your agent came around. Every one who has tried M'Lane's Vermifuge, tell me it is the best they have ever seen. In fact it is impossible for any one to say too much in favor of this Vermifuge. W. D. ROBB.

Dr. M'Lane—dear Sir: I have sold out all your Liver Pills, and want another lot immediately. I could have sold a much larger quantity if I had them. The inhabitants are sending to Rochester for them. Please send me another supply immediately. F. SHORT, Druggist.

Varysburg, Wyo. Co N.Y. Dec. 10, '47.

J. Kidd & Co.—Your traveling agent left with me last summer a quantity of Dr. M'Lane's Pills and Worm Specific, to sell on commission. The Worm Specific is all sold, and I should be glad to procure more, as it sells very readily, and has a very salutary effect in expelling worms. If you can forward me some, or send me an order to call on your agent in Buffalo (L. S. Reynolds) I think it will meet with a rapid sale.

Dr. Swayne's Celebrated Family Medicines.

CURE FOLLOWS CURE!

More Proofs of the Efficacy of

DR. SWAYNE'S

COMPOUND SYRUP OF

Wild Cherry,

The Original and Genuine Preparation!

Consumption,

Coughs, Colds, Asthma, Bronchitis, Liver Complaint spitting Blood, difficulty of Breathing, pain in the Side and Breast, palpitation of the Heart, Influenza, Croup, broken Constitution, Sore Throat, Nervous Debility, and all diseases of Throat, Breast, and Lungs: the most effectual and speedy cure known for any of the above diseases is

Dr. Swayne's compound Syrup of Wild Cherry.

Reliable Testimony.

John Milton Earle, editor of the Worcester Spy, Mass., was attacked with a severe inflamation of the lungs, accompanied with a distressing cough: after using various other remedies with little or no benefit, by the use of one bottle of Dr Swayne's Compound Syrup of Wild Cherry, he was restored to perfect health.

Wm. Montelius, a respectable merchant of St Clair, Schuylkill county, writes, Jan 30, 1849: "Enclosed I send you a certificate of Wm. Beaumont, a citizen of our town. His case of Consumption is well known here and of long standing; he attributes his cure entirely to your Compound Syrup of Wild Cherry."

Be not deceived by the many spurious and worthless preparations of Wild Cherry, ushered into notice by ignorant pretenders, but see that the signature of Dr. Swayne is upon each bottle, which is the only guarantee against imposition.

Remember! the genuine preparation of Wild Cherry is prepared only by Dr SWAYNE, N W corner of Eighth and Race streets, Philad'a

Swayne's celebrated Vermifuge,

"A Safe and Effectual Remedy for Worms, Dyspepsia, Cholera Morbus, sickly or dyspeptic Children or Adults, and the most useful Family Medicine ever offered to the public."

This remedy is one that has proved successful for a long time, and is universally acknowledged by all who have tried it to be *far superior* (being so very pleasant to the taste, at the same time effectual) to any other medicine ever employed in diseases for which it is recommended. It not only destroys worms, but it invigorates the whole system. It is harmless in its effects and the health of the patient is always improved by its use, even when no worms are discovered.

☞*Beware of Mistakes.* Remember—Dr S's Vermifuge is now put up in *square bottles* (having recently been changed) covered by a beautiful wrapper, steel engraving, with the portrait of Dr Swayne thereon engraved. Bear this in mind, and be not deceived.

DR SWAYNE'S SUGAR COATED SARSAPARILLA AND EXTRACT OF TAR PILLS

The virtues of these pills can be appreciated only by those who have used them. They are adapted to assist nature in carrying off morbid matter, obstructions, impurity of the blood, &c. They are a gentle and effective purgative, correct all the functions of the liver, and as an alterative in dropsical affections they are very valuable and should be in every family. They have an outside coating of pure White Sugar, whereby everything disagreeable to taste or smell is entirely removed without in the least affecting the excellent qualities of the medicine. Remember! they are now put up in boxes turned out of the solid wood, covered with a red label bearing the signature of Dr Swayne: none other is genuine.

The above valuable Medicines are prepared only by Dr. SWAYNE, N W corner of Eighth and Race streets, Philadelphia.
