Testimony in favor of the Vegetable Extract Epileptic Pills. In the publication of the following certificate of cures the names have been suppressed, as the testimonials were voluntarily offered, and would be improper to publish them without the consent of the parties, and who would be unwilling to publish to the world that they or their children or friends, ever had fits, when the circumstance is always regarded as one of the family secrets.

ANOTHER CASE OF FITS. Dear Sir—Having been afflicted for some years past with Falling Fits, I saw your advertisement, and determined to give your pills a trial, and I am happy to say that since I commenced the use of your pills, I have not had an attack. I believe them to be a first rate article, for, as I have written to you in a former letter, I was attacked every two weeks, but since I have been using them I have not had an attack.

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION. BY DR. A. M. MAURICEAU. PROFESSOR OF DISEASES OF WOMEN. One Hundred Edition, (500,000) 18mo., pp. 250 [ON FINE PAPER, EXTRA BINDING, \$1.]

A PERFECT CURE OF EPILEPSY. Dear Sir—I am now ten months since my wife had any of those nervous attacks. She thinks she is cured. She has not had any symptoms of the disease for the last nine months. She took your Vegetable Extract Pills for about four months, and discontinued them four months since. Mrs. S. was treated by the best old school physicians in the State for ten years, then by the best Homoeopathic for eighteen months, without success. It is to your Vegetable Extract Pills, and your pills, that she owes her recovery. We ascribe her cure of the most dreadful disease that ever afflicted the human family. I wish every person afflicted with Epilepsy had this medicine, and would give it for my dear child. It may not cure in all cases, but in this it has performed wonders.

Dear Sir—I wish to inform you that one of my family has been afflicted with FITS for a number of years, and seeing an advertisement in a newspaper, I purchased your Vegetable Extract Pills, I came to the conclusion, after trying almost every physician in my reach and all having failed in relieving my child of the disease, to send for six boxes of your pills, which proved an instant cure for my child. My wife is now about 18 years of age. I think there is no other medicine in use equal to them, and I will be forever grateful to you for the use of them for my daughter, who has cured. Yours, respectfully,
