STOCK IMPORTING .- We learn, says the Maysville (Kentucky) Eagle, that at their m ceting on Saturday last the "Union Agricultural Importing Company" completed their arrangements for imporing fine stock. They have raised \$14,000 for the purchase of the short-horn cattle, and about \$2,000 for the purchase of horses. A lot of fine sheep will be brought out on private account. The agents will leave this city on Friday morning next for England.

ELECTION OF GEN. CULLOW. - The election of this gentlemen as Clerk of the House of Representatives, at Washington. has been received with satisfaction. Gen. CULLOM was a member of Congress for four years past, and, although a Southerner, became one of the noble few from that section who boldly denounced the passage of the Nebraska bill for which heroic conduct he was last fall defeate i. Had he been re-elected, the probability is he would have been chosen Speaker. His election as Clerk is a just tribute to his ability and honesty .- Repository and Transcript.

The case of W. G. Kendall, late Post Master at New Orleans, has been settled at the Post Office Department by the payment of \$3,888, which was the balance found against him. The Department claimed \$27,000, and the assertion of the claim was used in New Orleans greatly to the perjudice of Mr. Kendall during the recent

of the United States, in all future treaties with foreign countries, to see that the great staple of tobacco is placed on an equal footing with the other great agricultural interests of our common country .- The Kentucky Senators in congress are also instructed to urge the subject upon the attention of the general government.
