A HUMAN LIFE SAVED!

DONAGIAK, Mich, March 11, 1856. J. A. RHODES, Esq. Dear Sir—As I took your medicine to sell on consignment, 'no cure no pay,' I take pleasure in stating its effects as reported to me by those brothers who live in this place, and their testimony is a fair specimen of all I have received:

W. S. CONKLIN told me:—I had taken nine bottles of Christie's Aque Balsam, and continually ran down while using it until my lungs and liver were congested, that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors told me all they could for me, but though I must die, Nothing did any good until I got Rhodes' Fever and Aque Care, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced permanent cure in a short time.

H. M. CONKLIN says:—I had been taking medicine as good a doctor as we have in our county, and taken any quantity of quinine and specifics without any good result, from August to 17th December. But seeing how nicely it operated on my brother, I got a bottle of RHODES' FEVER AND AGUE CURE, which effected a permanent cure by using two thirds of a bottle.

S. M. CONKLIN was not here, but both the other brothers say his case was the same as H. M.'s. I sold the medicine to both the same day, and cure was as speedy from the same small quantity, and I make no specialty. Yours with respect, A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast number of like certificates I have at ready publication, and the still greater amount that is continually pouring in to me.

One thing more. Last year I had occasion to caution the Public in these words:—'I notice that some of our friends, in their general credulity, substituted the name of my general circular, and then with brazen impudence and their pamphlet with the exclamation, 'Let the proprietor of any other medicine say as much for his.''

Now I take pleasure in saying that the Caution referred to the same 'Dr. Christie's Aque Balsam' that is mentioned in the above certificate.

There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Aque Care, or Anti-dote to Malaria, except the certificates of Cures, and the Certificates of the celebrated Chemist, Dr. James C. Gilchrist, N. Y., in favor of his perfectly HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from imitations.
