### A HUMANALIFE SAVED!

Dowagiac, Mich, March 11, 1856 A. RHODES, Esq : Dear Sir—As I took

J. A. RHODES, Esq.: Dear Sir—As I took your medicine to sell on consignment. "no cure no pay," I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received:

W. S. Conklin told me—'I had taken nine bottles of Christie's Agne Balsam, and continually ran down while using it until my lungs and liver were Congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors too did all they could for me, but though I must die. Nothing did any good until I got Rhodes' Fever and and Ague Gure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time."

H. M. Conklin says: "I had been taking medicine of as good a doctor as we have in our county, and taken any quantity of quinine and specifies without any good result, from 25 August to 17th December. But seeing how nicely it operated on my trother. I got a hottle of RHODES' FEVER AND AGUE CURE, which effected a permanent cure by using two thirds of a hottle."

which effected a permanent cure by using two thirds of a bottle."

S. M. CONKLIN was not here, but both the other brothers say his case was the same as H. M's. I sold the medicine to both the same M's. I sold the medicine to both the same day, and the care was as speedy from the same small quantiy, and I might so specify. Yours with respect.

A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast I umber of like certificates I have already published, and the still greater amount that is continually pouring in to me.

One thing more. Last year I had occasion to Caution the Public in these words:—

"I notice one firm who have taken one of my general circulars, substituted the name of their nestrum for my medicine, and then with bracen input

trun for my medicine, and then with brazen impudence end their pamphlet with the exclamation, Let the proprietor of any other medicine say as much if he dares, "Kc.

Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Balsam" that is mentioned in the above certificate.

There are several other industrious people There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Antidote to Malaria, except the certificates of Cures, and the Certificate of the celebrated Chemist, Dr. James. R. Chilton of N. Y., in favor of its perfectly HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from imitations.
