Tonics Won't Do!

Tornics WOIN't Do:

They never did do more than give temporary relief and they never will. It is because they don't touch the CAUSE of the disease. The CAUSE of all ague and billions diseases is the atmospheric poison called Miasma or Malaria. Neutralize this poison by its NATURAL ANTIDOTE, and all disease caused by it disappears at once. Rhodes' Fever and Ague Cure is this Antidote to Malaria, and moreover it is a perfectly harmless medicine. The certificate of the celebrated chemist, J. R. Chilton, of New York, to this effect, is attached to every bottle; therefore if it does no good it can do

bottle; therefore if it does no good it can do no harm. This is more than can be said of Quivine Arsenic, or any tome in existence, as their use is ruinous to the constitution and brings or DUMB AGUE, which never allows a person to feel perfectly well for a single moment. In it instration of these truths I annex some extract.

This remedy, (known as "Smith's Tonic,") would invariably BREAK an agne, but it did not CURE it, as it would often return with renewed vigor. This one chemistance I deemed in your favor, if I could institute a test comparison between it and your CURE. The following is the result:

Three persons took yeur "Cure," all of which were cases of "Quotidian Intermittent Fever," of many weeks standing. They had tried Quinine, and other remedies, occasionally missing a chill, but it was, (as in all such cases,) slowly wearing them out, and laying the foundation of other and severer maladies. I did succeed in effecting a radical cure of all three of these cases with your remedy, and they have not had a chill since. In all three of these cases with your remedy, and they have not had a chill since. In all three of these cases the "Smith's Tonic" had been used, and would, as before stated, break the chill, but after a period or two had clapsed it would return.

I think there will be no difficulty now in giving to your Cure the vantage ground of any other remedy now in use here size.

WM. BUCKNER, M. D.

Rhodes' Fever and Ague Cure, or Antidote to Malaria, the only harmless remedy in existence, is equally certain as a preventive, as a Cure. Take it when you feel the chills coming on, and you will never have a single one.
