WANTED AT REED'S COLONNADE STORE.

WHEAT, RYE, BUTTER, OATS, CORN, EGGS, In Exchange for Goods, Bedford, Dec. 21, 1855.

A HUMAN LIFE SAVED!

DOWAGIAC, Mich., March 11, 1856. J. A. RHODES, Esq. Dear Sir—As I took your medicine to sell on commission, and you cure no pay, I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received.

W. S. CONKLIN told me—I had taken nine bottles of Christie's Ague Balsam, and continually ran down while using it until my lungs were so weak I thought I had done for, but blood discharged from my mouth and bowels, so that all thought it impossible for me to live another month. The doctors too did all they could for me, but thought I must die. Nothing did any good until I got Rhode's Fever and Ague Cure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time.

H. M. CONKLIN says—I had been taking medicine of as good a doctor as we have in our county, and taken any quantity of quinine and specifics, without any good result, from 25 August to 15th December. But seeing how nicely it operated on my brother, I got a bottle of RHODE'S FEVER AND AGUE CURE, which effected a permanent cure by using two bottles of a bottle.

S. M. CONKLIN was not here, but both the other brothers say his case was the same as H. M.'s. I sold the medicine to both the same day, and the cure was as speedy from the same small quantity, and I am confident, if you wish to respect.

Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Balsam" that is mentioned in the above certificate.

There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Anti-Dot to Malaria, except the certificates of Cures, and the Certificate of the celebrated Chemist, Dr. James H. Clifton of N. Y. in favor of its perfectly HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from imitations.

JAS. A. RHODES, Proprietor, Providence, R. I. For Sale by Druggists generally, April 25 1856, 3m.

FITS! FITS! FITS!!!

THE VEGETABLE EXTRACT PILLS. FOR THE CURE OF Fits, Spasms, Cramps, and a Nervous and Constitutional Ailment.

PERSONS who are laboring under this most distressing malady, will find the Vegetable Epileptic Pills to be the only remedy ever discovered for the cure.

Curing Epilepsy or Falling Fits. These pills possess a specific action on the nervous system, and although they are prepared especially for the purpose of curing Fits, they will cure and especially benefit for all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered from any cause whatever. In chronic complaints, or diseases of long standing, superinduced by nervousness, they are exceedingly beneficial.

Testimony in favor of the Vegetable Extract Epileptic Pills. In the publication of the following certificate of cure, the names have been suppressed, as the testimonials were voluntarily offered, and it would be improper to publish them without the consent of the parties, and who would be unwilling to publish to the world that they or their children or friends, ever had fits, when the circumstance is always regarded as one of the family secrets.

Reading, Berks County, Pa. December 22d, 1852. To Seth S. Hance, Baltimore, Md. Dear Sir—The Pills my brother bought of you in November, I mean the Vegetable Epileptic Pills, are out, and I wish to enclose you five dollars, for which I get you to send me immediately two boxes more. I have been troubled many years with FITS, and have tried the skill of many physicians, but nothing which I have taken appears to have met the requirements of my case, so well as your Epileptic Pills.

ANOTHER CASE OF FITS. CLARKSBURG, Va. November 15, 1852. To Seth S. Hance, Baltimore, Md. Dear Sir—Having been afflicted for some years past with Falling Fits, I saw your advertisement, and determined to give your pills a trial, and I am happy to say that since I commenced the use of them, I have not had an attack. I believe them to be a first rate article, for, as I have written you in a former letter, I was cured in two weeks, but since I have been using them I have not had an attack. Yours, respectfully, S. S. HANCE.

LETTER FROM A DRUGGIST. New York, Oct. 10, 1852. Dear Sir—Please send me two boxes more of your Vegetable Epileptic Pills. The person of whom I bought them, is much pleased with their effects. They seem to have an excellent effect.

A PERFECT CURE OF EPILEPSY. PITTSBURGH, November 22, 1852. Dear Sir—I am now ten months since my wife had any of those nervous attacks. She thinks she has had no more since she commenced the use of your Vegetable Extract Pills for four months, and discontinued them about four months since. Mrs. S. was treated by the best old school physicians of the State for ten years, then she was treated by the best of the moderns, without a cure. It is to your Vegetable Extract Pills, and with strict regard to diet, that we ascribe her cure of the most dreadful disease which ever afflicted the human family. I wish every person afflicted with Epilepsy to try this medicine, and would give it a thorough trial. It may not cure in all cases, but in this it has performed wonders.

A VERY REMARKABLE CURE. Milledgeville, Ga. December 17, 1852. Dear Sir—I wish to inform you that once my family was afflicted with FITS for a number of years, and seeing an advertisement in the "Inquirer" concerning your Vegetable Extract Epileptic Pills, I came to the conclusion after trying almost every physician in my reach and all having failed in relieving my child of the disease, to send for a box of your pills, which I received in a few days, and my daughter, who is now about 18 years of age, and who has had this disease for 18 years, and who has had almost every other medicine in use equal to them, and I will be forever grateful to you for the use of them for my daughter, whom it has cured. Yours, respectfully, WM. SCHAFER.

Nervous and Constitutional Diseases. These pills possess a specific action on the nervous system, and although they are prepared especially for the purpose of curing Fits, they will be found of especial benefit to all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered from any cause whatever. In fact, it is almost impossible to convey an adequate idea of the speedy and almost miraculous results which these pills effect in the diseased, broken down, and debilitated nervous system. Persons who have all lassitude, weakness and debility before their use, at once become robust and full of energy. No matter whether the constitution has been broken down by excess, weakly by nature, or debilitated by sickness, their effect on the unstrung and shattered nervous organization is equally certain and apparent. Increases to neuralgia, headache, vertigo, pain in the nerves of the face, and the various train of nervous affections, palpitation of the heart, periodic headaches, cold and shivered state of the frame, frequent fits of abstraction, total inability, dislike to society, melancholy, religious mania, horrid and foolish ideas, the face on the slightest occasion, a desire that existence should terminate; they will produce a cure in an astonishingly short period of time, and it will also remove depression, excitement, a tendency to black, restlessness, sleeplessness, incapacity for study or business, loss of memory, confusion, giddiness, blood to the head, mental debility, hysteria, indecision, wretchedness, thoughts of self destruction, fear of insanity, &c. &c. They will increase and restore the appetite, strengthen the emaciated, renew the heat of those who have destroyed it by excess, and induce continual cheerfulness and equanimity of spirits, and prolong life.

Persons of pale complexion and consumptive habits are restored by a box or two, to bloom and vigor, changing the skin from a pale, yellow sickly color, to a beautiful florid complexion.

As these Pills are composed of some of the most expensive materials in the Materia Medica, it will be impossible to leave them around the country of agency, as common Patent Medicines usually are. But in order to let the afflicted in the most remote parts of the country have a chance to obtain them, they will be sent by mail free of postage, to any part of the United States, or any country with which the United States has postal arrangements, on the receipt of a remittance.

PRICES.—Vegetable Extract Epileptic Pills \$3 per box, two boxes for \$5, or \$24 per dozen. All orders must be addressed postpaid to S. S. HANCE, 108 Baltimore Street, Baltimore, Md. Hance's Sarsaparilla Blood Pills, " Horchmond Candy, " Compound Syrup of Horchmond. Also for sale by MILLER & CONLEY Schellsburg, Pa. May 23, 1855—ex.
