A HUMAN LIFE SAVED!

Downgtac, Mich, March 11, 1856. J. A. RHODES, Esq : Dear Sir-As I took

J. A. RHODES, Esq: Dear Sir—As I took your medicine to sell on consignment, 'no cure no pear,' I take pleasure in stating its offects as reported to me by three brothers who live in this place, and their testimony is a fair specimes of all I have received:

W. S. Conkins told me—1 had taken nine bottles of Christie's Ague Balsam, and continually run down while using it until my lungs and liver were Congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors too did all they could for me, but though I must die. Nothing jid any good until I got Rhodes' Fever and and Ague Cure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and proach and pain in my head and bowels, and produced a permanent cure in a short time."

II. M. CONKINS SAYS: "I had been taking me-

dicine of as good a doctor as we have in our county, and taken any quantity of quinine and specifics without any good result, from 25 August to I; th December. But seeing how nicely it operated on my brother, I got a bottle of Rilodes' FEVER AND AGUE CURE, which effected a permanent cure by using two S. M. CONKLIN was not here, but both the

other brothers say his case was the same as H. M's. I sold the medicine to both the same other brothers say ms case was the same day, and the care was as speedy from the same day, and the care was as speedy from the same small quartity, and I might so specify. Yours with respect.

A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast rumber of like certificates I have already published, and the still greater amount that is continually pouring in to me.

One thing more. Last year I had occasion to Caution the Public in these words:—

"I notice one from who have taken one of my general circulars, rubefituted the name of their nostring for my medicine, and then with brazen impudence and their pamphlet with the exclamation, 'Let the proprieter of any other medicine say as much if he dares,' "Ke.

Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Baisam" that is mentioned in the above certificate.

There are several other industrious people

There are several other moustious geopie who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Antidote to Malaria, except the certificates of Cures, and the Certificate of the celebrated Chemist, Dr. James, R. Chilton of N. Y., in lavor of its perfectly HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine trans initiations. irom imitations.
