A HUMAN LIFE SAVED! DOWAGUE, Mich, March 11, 1856. J. A. RHODES, of Dear Sir—As I took your medicine to sell on consignment, "no cure no pay" I take pleasure in stating its effects as reported to me by three Brothers who live in this place, and their testimony is a fair specimen of the degree to which they were cured. I had taken nine bottles of Christies's Ague Balsam, and continually ran down while using it until my lungs were so weak that I could not get through my food discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors too did all they could for me, but though I might die, nothing did me any good until I got Christies's Fever and Ague Cure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time. H. M. COXKIN says: "I had been taking medicine as good a doctor as we have in our country, and taken any quantity of quinine and specifics without any result, until I got your medicine, and I am now perfectly well, and I feel as if I had never been sick."
