Store, a lage and well assorted stock of Fall and Winter Goods. He is now prepared to accommodate his friends and customers, and the public generally. To attempt to enumerate, his stock in a news paper advertisement, would be folly, or a list of the prices useless for the public would not believe that goods were selling as they offer them, unless they call and see for themselves. We don't wish to boast, but merelly remark that for variety texture, and cheapness, his stock cannot be excelled, and it is calculated to please all.

We cordially invite the public to call at
