Here was a moral obligation binding them

clock that morning, and two more then in town to be hung. I got to the place of experience in business, and a desire to please, he hopes to receive a share of the public patronage.

ROBERT RALSTON.

Feb. 6, 1857.—6 n. ged themselves to support the candidate of night and was up with them all night. I sheir party. And after all this, they ruth- saw a list of negroes that had been whip- Jan. 30, 1857. G. W. RUPP.

"Old for a tongue to curse the slave, Whose treason, like a deadly blight, Comes o'er the councils of the brave, To blast them in their hour of might, May life's unblessed cup for him Be drugg'd with treacheries to the brim; With hopes that but allure to fly, With joys that vanish while he sips,

Like dead Sea fruits that tempt the eye, But turn to ashes on his lips:

His country's curse, his children's shame, Outcast of virtue peace and fame-

ay he at last with lips of flame Or the parch'd desert thirsting die; While lakes that shone in mock'ry sigh

Are fading off, untouched, untasted, Like the once glorious ho pes he blasted." There is no language outside of the trea-

tise of Ernalphus that can express the deep indignation, perfect contempt, and utter aversion with which bonest men must look upon the foul and spotted things who have sold themselves and their souls for worse than a mess of pottage. No decent man cap associate with them; they will be shunned as pestiferous objects that infect the 'air that surrounds them, and make it nauseous and noxious: they will go like Cain with the brand of their corruption upon their foreheals, and who seever shall see them, shall know them and avoil then."

MODERN DEMOCRACY .- The fellowing portraiture of Modern Democracy as drawn by the Florida Sentinel, will strike the reader as true to the life.

It is perfectly consistent with the teachings of Modern Democracy to blow hot and cold out of the same mouth. This faculty is peculiar to modern Democracy. It can with consistency be anti-s'avery at the North, and pro-slavery at the South, low Pacific.

sented, adopted, after mature deliberation, a resolution which declares that the "Federal Government possesses no power under the Constitution to construct a Railroad to the Pacific Ocean." Mr. Buchanan and the Cincionsti Platform express the contraform and voted for old Buck.

THE INDIANA SENATORSHIPS.

Just now we find our Democratic ex- Senate, has commenced with spirit in the have been fired, festivals held, &c. At a changes filled with the names of the above Indiana Legislature. The House is Demo-meeting at Danville, some right spicy senpersons, and allusions to their history .-- cratic, the Senate Republican, and the timents were read. We annex one or two: CAIN was the first murderer; ISCARIOT was Democrats would have a majority on joint

The Republican Senate, therefore, is determined not to go into ballot. The Demoerats are determined that they shall. Willard, the Democratic Lieutenant Governor, ground that their certificates of election were insufficient. But the Senate defeated tem. The two presiding officers took their seats side by side, and finally the Lieut. King Lear, after the ingratitude and cru- Governor acknowledged the certificates to

Then arose another difficulty. It has ernor's message read in joint convention. "Blew winds, and crack your cheeks! Rage! The Democrats were confident that this would enable them to spring a motion on the joint convention, to take a vote for U. S. Senator, when the Republicans, being in a minority, would have to submit. But n.eal, disappointed them by refusing to go Lord Byron said that he awoke one into joint convention, either to hear the morning and found himself famous. G. R. BARNDOLLAR. Dec. 26, 1856

Upon the termination of the Presidential contest now close at hand, the proprietors of the New-York Weekly Times intend to introduce various and extensive changes in its character, which will render it still more attractive to the great mass of the people of the United States Its columns will then be less exclusively occupied by political news and discussions, and will be much more largely devoted to literature, general news, and interesting miscellaneous reading. It will be made emphatically and especially a newspaper for the family and the especially a newspaper for the family and the firefide, containing Literary Tales, Original and Selected; Biographical Notices, Shetches of Character, Letters from Abroad, Anecdotes, and generally whatever will be most entertaining and most instructive to the great mass of Newspaper Readers.

and generally whatever will be most entertaining and most instructive to the great mass of Newspaper Readers.

Among the spicaous attractions of the Weekly Times will be an eriginal nord by a popular American Author, written expressly for its columns, and abounding in interest and merit. This will be published in successive numbers, commencing about the 15th of November, and will probably be completed in six months.

The Weekly Times will also contain a series of letters from Europe and the East, by one of the ablest and most Popular writers in the United States,—embracing Notes of Incident, Adventure and Observation in Europe, Egypt, Arabia and the Holy hand, and forming one of the most interesting series of Foreign Sketches ever published in this Country.

Belides these continuous articles, prepared expressly for the New Series of the Weekly Times, it will contain, every week, a great amount of Original Correspondence, Domestic and Foreign. Miscellaneous literary anecdotes and sketches—notes of scientific discovery—biographical and critical notices—reviews of new and valuable books—choice poetry, original and selected, &c., in short, it is the design of its Proprieters to

and Foreign. Miscellaneous fiterary anecdotes and sketches—notes of scientific discovery—biegraphical and critical notices—reviews of new and valuable books—choice poetry, original and selected, &c., In short, it is the design of its Proprietors to spare neither expense nor labor in making it the most interesting and desirable miscellaneous character the Weekly Times will give, in a ckar and condensed form, all the axes of the day. From all quarters of the world, and in all departments of activity, embracing agricultural, commercial and financial intelligence, propared expressly for its columns, and for the use of those in all parts of the country who wish to be kept informed upon all those top—list. The doings of Congress, with a synopsis of all important documents, valuable speeches and the proceedings of the several State Legistantes. Foreign news, as given in the Letters of Special Correspondents, and in extracts from the Newspaper Press of England and the Continent—and the miscellaneous news of actidents, crimes, disasters, personal movements, for., \$\varphi c\$, buth at home and abroad.

The Weekly Times will also contain editorial altricles discussing all the leading events of the day, in such a manner as shall promise to be most widely ascall and instructive. In its political department the Times will be wholly independent of all political parties, speaking freely and holidy its own opinions, condemning public bedies for whatevermay be wrong and upholding and sustaining them in whatever may tend for the advancement of the public good. It will advocate equal and exact justice to all men—the preservation of the server of all all men, the preservation of the server of all men, the preservation of the firm of his parties from the firm what the firm parties in the public good. It will advocate equal and exact justice to all men—the preservation of the server.

I will advocate equal and exact justice to all men—the preservation of the Union upon the principles of the Constitution, and the improvement of the condition of all classes by education, morality and Religion. It will always that is mentioned in the above certificate.

There are several other indistinguish as for the constitutional in that is mentioned in the above certificate.

There are several other indistinguish as for their poiseness tash all who are applying to their poiseness tash all the continuous tash all the care are several other industrious people. ance. Any infringement of the constitutional rights of any portion of our common country. But it will also resist all attempts to subordinate the general good to sectional ambition, or to undermine those great principles of human iberty which form the basis and foundation of our Republican institutions. It will be moderate but firm in its tone—seeking to convince rather than intimidate, respectful toward those in the form is conservative in its tandence.

who differ from it, conservative in its tendency and devoted zealously and steadily to the elevation and advancement of the people.

The if edity frame will be printed upon handsome paper, in clear type and in elegant style, each number containing sight pages or forty, eight columns—presenting every week a larger amount of choice reading and news than can be obtained ulsewhere at the same rate. It is designed to make it at once, the best and cheaper afformity Newsyaper in the Cauled States.

It will be sent to subscribers by mail at the following rates:

Dowagiac, Mich, March 11, 1858. J. A. RHODES, Esq : Dear Sir-As I took J. A. RHODES, Esq: Dear Sir—As I took your medicine to sell on consignment, "no fure no pay," I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received:

W. S. CONKLIN told me—I had taken nine bottles of Christie's Ague Balsam, and continually ran down while using it until my lungs and liver were Congested to that degree that blood discharged from my mouth and bowels.

tificate.

There are several other industrious people who are applying to their poisonous trash all that I publish about my Fewer and Ague Cure, or Antidote to Malaria, except the certificates of Cures, and the Certificate of the celebrated Chemist, Dr. James, R. Chilton of N. Y., in favor of its perfectly HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from initiations.

AT CHEAP SIDE.

The above stock consists of every article usually kept in store—All of which will be sold, cheap for cash or approved produce. Thankful for past favors, he hopes by fair

As the season for chapped hads and faces, is coming on, we advise our friends to call on Dr. Harry, at the cheap Drug Store, and get a box of Bazin's Amandiae for prevention and cure of chapped hands, only 372 per box.

Oet. 3, 1856.

REDFORD HIGH SCHOOL

The undersigned would respectfully announce to the public, that he will open in Bedford, on the first Monday of November text, a high school in which all the branches of a liberal education, English and Glassical, will be taught It is designed to establish in Bedford a perman ent Institution of a high order, Male and Fenale. The Male and Fenale departments will be distinct, so soon as the necessary arrangements can be effected. In this school students will be prepared for the higher classes of any College or to enter at once upon the active duies of life.

The physical, motal and social education of the pupils, will receive that attention which their importance demands.

their importance demands.

There will be three grades. To the first leading the common English branches, such as He He Realing, Orthography, Writing, Arithmetic, Im a Algebra, Geometry, Intellectual and Moral Philosophy, Rhetoric, Logic, Botony, Ancient Geography &c.

The third, moraces all the foregoing together, with the Latin and Greek languages.

with the Latin and Greek languages.

The Modern languages, Music, Drawing,
Painting and Ornamental Needle work, will be
extra studies, and for each there will be extra

EXPENSES. Tuition for the first grade per quarter, \$4 000 second

The charges for the extra studies will be puhilished at an early day.

The opportunity is now effered to the citizens of Bedford and vicinity of having established in their midst a perminent school of a high order. The enterprize, on the broad and comprehensive basis here indicated, will be attended necessarily with much labor and saxpense. It is hoped, therefore, that all those who feel interested in the education of the young, will come up liberally to the support of the School.
