THE NEW-YORK WEEKLY TIMES—A LITERARY AND NEWS JOURNAL FOR THE FAMILY AND FIRESIDE—*The Cheapest Newspaper in the United States.*

Upon the termination of the Presidential contest now close at hand, the proprietors of the *New-York Weekly Times* intend to introduce various and extensive changes in its character, which will render it still more attractive to the great mass of the people of the United States. Its columns will then be less exclusively occupied by political news and discussions, and will be much more largely devoted to literature, general news, and interesting miscellaneous reading. It will be made emphatically and especially a *newspaper for the family and the fireside*, containing Literary Tales, Original and Selected; Biographical Notices, Sketches of Character, Letters from Abroad, Anecdotes, and generally whatever will be most entertaining and most instructive to the great mass of Newspaper Readers.

Among the specious attractions of the Weekly Times will be *an original novel* by a popular American Author, written expressly for its columns, and abounding in interest and merit. This will be published in successive numbers, commencing about the 15th of November, and will probably be completed in six months.

The Weekly Times will also contain a series of letters from Europe and the East, by one of the ablest and most Popular writers in the United States,—embracing Notes of Incident, Adventure and Observation in Europe, Egypt, Arabia and the Holy Land, and forming one of the most interesting series of Foreign Sketches ever published in this Country.

Besides these continuous articles, prepared expressly for the New Series of the Weekly Times, it will contain, every week, a great amount of Original Correspondence, Domestic and Foreign. Miscellaneous literary anecdotes and sketches—notes of scientific discovery—biographical and critical notices—reviews of new and valuable books—choice poetry, original and selected, &c.,

In short, it is the design of its Proprietors to spare neither expense nor labor in making it the most interesting and desirable miscellaneous Family Newspaper in the United States.

In addition to its literary and miscellaneous character the Weekly Times will give, in a clear and condensed form, *all the news of the day*. From all quarters of the world, and in all departments of activity, embracing agricultural, commercial and financial intelligence, prepared expressly for its columns, and for the use of those in all parts of the country who wish to be kept informed upon all those topics. The doings of Congress, with a synopsis of all important documents, valuable speeches and the proceedings of the several State Legislatures. Foreign news, as given in the Letters of Special Correspondents, and in extracts from the Newspaper Press of England and the Continent—and the miscellaneous news of accidents, crimes, disasters, personal movements, *&c., &c.*, both at home and abroad.

The Weekly Times will also contain editorial articles discussing all the leading events of the day, in such a manner as shall promise to be most widely useful and instructive. In its political department the Times will be wholly independent of all political parties, speaking freely and boldly its own opinions, condemning public bodies for whatever may be wrong and upholding and sustaining them in whatever may tend for the advancement of the public good. It will advocate equal and exact justice to all men—the preservation of the Union upon the principles of the Constitution, and the improvement of the condition of all classes by education, morality and Religion. It will wage no war upon any section nor countenance, any infringement of the constitutional rights of any portion of our common country. But it will also resist all attempts to subordinate the general good to sectional ambition, or to undermine those great principles of human liberty which form the basis and foundation of our Republican institutions. It will be moderate but firm in its tone—seeking to convince rather than intimidate, respectful toward those who differ from it, conservative in its tendency and devoted zealously and steadily to the elevation and advancement of the people.

The *Weekly Times* will be printed upon handsome paper, in clear type and in elegant style, each number containing *eight* pages or *forty-eight* columns—presenting every week a larger amount of choice reading and news than can be obtained elsewhere at the same rate. It is designed to make it at once, *the best and cheapest family Newspaper in the United States.*

It will be sent to subscribers by mail at the following rates:
