#### MADAME FREYTET'S ENGLISH AND FRENCH SEMINARY, FOR YOUNG LADIES. Bedford, Pa.

The object of this Institution is to instruct young Ladies in all the branches of a thorough English education, and at the same time to make them practically acquainted with the French language, the knowledge of which is so exsential to a finished education. The success which the method adopted has met with, justifies the assertion that Pupils of moderate capacity saay in a short time master difficulties which with other systems appear insurmountable. Mons, and Madame Freytet are both engaged in the Tuition, and every effort made for the advancement of the Pupils.

The course of studies comprises Reading, The course of studies comprises Reading,

SIDE—The Charpest very page.

States.

Upon the termination of the Presidential contest now close at hand, the proprietors of the New-York Westley Times intend to introduce various and extensive changes in its character, which will reader it still more attractive to the great mass of the people of the United States. Its columns will then be less exclusively occurred to nolitical news and discussions, and will Its columns will then no less excusively occupied by political news and discussions, and will be much more largely devoted to literature, general news, and interesting miscellaneous reading. It will be made emphatically and especially a newspaper for the family and the fireside, contaming Literary Tales, Original and Schemick Ricaramical Natices Sections 6. fireside, containing Literary Tales, Originating Selected; Biographical Notices, Sactches of Character, Letters from Abroad, Anecdotes, and generally whatever will be most entertaining and most instructive to the great mass of Newspaper Readers.

Among the spicuous attractions of the Week-ly Times will be an original novel by a popular American Author, written expressly for its

American Author, written expressly in the columns, and abounding in interest and merit. This will be published in successive numbers, commencing about the 15th of November, and will probably be completed in six menths.

The Weekly Times will also contain a series of letters from Europe and the East, by one of the ablest and most Popular writers in the United States—embracing Notes of Incident.

of the ablest and most Popular writers in the United States,—embracing Notes of Incident, Adventure and Observation in Europe, Egypt, Arabia and the Holy Land, and forming one of the most interesting series of Foreign Sketches ever published in this Country.

Besides these continuous articles, prepared expressly for the New Series of the Weekly Times, it will contain, every week, a great awount of Original Correspondence, Domestic and Foreign. Miscellaneous literary anecdotes and sketches—notes of scientific discovery—biographical and critical notices—reviews of new and valuable books—choice poetry, original and selected, &c.,

In short, it is the design of its Proprieters to spare neither expense nor labor in making it

In short, it is the design of its Proprietors to spare neither expense nor labor in making it the most interesting and desirable miscellaneous Family Newspaper in the United States. In addition to its literary and miscellaneous character the Weekly Times wi give, in a clear and condensed form, all the news of the day. From all quarters of the world, and in a departments of activity, embracing agricultural, commercial and financial intelligence, pressured expressive for its cultumns, and for the tural, commercial and financial intelligence, prepared expressly for its columns, and for the use of those in all parts of the country who wish to be kept informed upon a those topics. The foings of Congress, with a synopsis of a important documents, valuable speeches and the proceedings of the several State Legislatures. Foreign news, as given in the Letters of Special Correspondents, and in extracts from the Newspaper Press of England and the Continent—and the miscellaneous news of accidents, crimes, disasters, personal movements, &c., &c., both at home and abroad.

The Weekly Times wi also contain editoria articles discussing a the leading events of

a articles discussing a the leading events of the day, in such a manner as sha promise to be most widely useful and instructive. In its political department the Times wi be wholly independent of a political parties, speaking freely and boldly its own opinions, condemning public bodies for whatever may be wrong and uphodding and sustaining them in whateve may tend for the advancement of the publigood. It wi advocate equal and exact justice to all men—the preservation of the Union upon on the principles of the Constitution, and the on the principles of the Constitution, and the improvement of the condition of a classe by education, morality and Religion. It was a considered with the constitution of a classe by education, morality and Religion. It was a considered with the constitution of an end of any portion of our common country. But it will also resist all attempts to subord in the the general good to sectional ambition, to undermine those great principles of huma iberty which form the basis and foundation of our Republican institutions. It will be moderate but firm in its tone—seeking to convince rather than intimidate, respectful toward those who differ from it, conservative in its tendence and devoted zealously and steadily to the elevation and advancement of the people.

The Weely Times will be printed upon handsome paper, in clear type and in elegant style, each number containing eight pages or forty, eight columns—presenting every week a larger amount of choice reading and news than can be obtained elsewhere at the same rate. It is designed to make it at once, the best and cheapter forms of a convenience of a convenience of the convenience of convenience of the convenience of the convenience of the convenience of the convenience of convenience of the convenience of the convenience of convenience of the conve mprovement of the condition of a class
