ALWAYS SOMETHING NEW READ THIS -- OLD AND YOUNG.

Is, no doubt, the most wonderful discovery of this age of progress, for it will restore, permanently, gray hair to its original color, cover the head of the bald with a most inxuriant growth, remove at once all dandruff and itching, cure all scrofula, and other cutaneous eroptions, such as scala head, etc. It will cure, as if by magic, nervous or periodical headache; make the hair soft, glossy, and wary, and preserve the color perfectly, and the hair from falling, to extreme old age.

The following is from a distinguished member of the medical problession:

St. Pauk, January, I, 1855.

DEAR SIR! Unsolicited, I send you this certificate. After being hearly half for a long time, and having tried all the hair restoratives extant, and having to faith in any, I was induced, on hearing of yours to give it a trial. I placed myself in the hands of a barbar, and had my head ruibed with a good stiff brush. I still the scalp was aglow. This I repeated every morning, and in three weeks the young hair appeared and grew rapidly from August last till the present time, and is now thick, black and strong—soft and pleasant to the touch, whereas, before, it was harsh and wiry, what little there was of it, and that little was disappearing very repidly. DEAR SIR: Having become prematurely quite DEAR Six: Having become prematurely quite gray, I was induced, some six weeks since, to make a trial of your Restorative. I have used less than two bottles, but the gray hairs have all disappeared; and although my hair has not fully attribed its original color, yet the process of change is gradually going on, and I am in great hopes that in a short time my hair will be as dark as formerly. I have also been much gratified at the healthy moisture and vigor of the hair, which before was harsh and dry, and it has ceased to come out as formerly.
