

PACKER FOR PROHIBITION. READ THE PROOFS!

According to the promise made last week we resume our exposure of GENERAL PACKER's views and votes on the Main Liquor Law which passed the Senate in 1852, as exhibited by the Journal of the Senate for that year.

On the 31 March, 1852, Mr. Carothers, from the Committee on Vice and Immorality, reported Senate Bill, No. 419, entitled "An act to prohibit the manufacture and sale of intoxicating liquors." See Senate Journal, Vol. 1, p. 365.

March 18th, a motion was made to consider the bill. This was objected to, and the order of the day called. A motion was then made to suspend the orders to get at the consideration of the bill. On this motion the yeas and nays were called, when the yeas were 20 and the nays 11, so the motion was lost—two-thirds being necessary to suspend the orders. On this motion PACKER voted yeas. See Sen. Jour., Vol. 1, p. 480.

March 22d, the bill was taken up for consideration; and on the question whether the first section should pass, the yeas and nays were called, and the section passed by a vote of 19 yeas to 14 nays. PACKER being one of the yeas. See Sen. Jour., Vol. 1, p. 515.

The bill was further debated and considered during that day, and the day following, as appears by the same volume of the Journal, at pages 515, 532, 533, &c., and the yeas and nays were frequently called on different sections of the bill, and in every instance the yeas of Wm. F. PACKER is found recorded in favor of the bill, and along with the names of the other "warm friends of that prohibitory liquor law."

March 31st—1852, the sections having been all agreed to, the bill came up on its final passage; and on the question, "shall the bill pass?" The yeas and nays were required by Mr. Crab and Mr. PACKER, and were as follows: viz:

YEAS. Messrs. Barnes, Carothers, Carson, Evans, Furnon, Guernsey, Hamilton, Hamlin, Hassler, Hoge, McFarland, McMurtrie, Malone, PACKER, Robertson, Sanderson, and Sifer.—17.

NAYS. Messrs. Batley, Bucklaw, Crabbe, Darlington, Freely, Fulton, Jones, Kinzler, Kunkel, McCaslin, Matthias, Muhlenberg, Myers, Shiuier, and Walker. Speak—15.

So the question was determined in the affirmative. See Senate Journal, of 1852 Vol. 1, p. 612.

Such is GENERAL Wm. F. PACKER's record in the Senate of 1852, and such are his votes upon the subject of the prohibitory liquor law which passed the Senate that year, as proved by the Journal of the Senate which is the only authorized record of proceedings. And yet his partisan friends, and the unprincipled press, which supports him for Governor, are mean enough and reckless enough, to deny that he is or ever was in favor of prohibition, and roundly abuse all who assert that he voted for prohibitory liquor laws. We say again, we have these Senate Journals in our hands, and can show them, day, and date, and page, to any man who wishes to see them, or who desires to know the whole truth on this subject. And we will here remark that not only did Genl. Packer make speeches in the Senate in favor of the bill, and vote as here proved, but according to the well-rehearsed logic of the Bedford Gazette, he gave the leading vote on the final passage of this monstrous Maine Liquor Law.

For on looking at the final vote, it will be observed the bill passed by 17 yeas to 15 nays. Consequently if Genl. Packer had voted nays, the bill would have been defeated on its final passage, by a vote, and evidently his vote for the bill was what saved it.

But the same recklessness and disregard of the truth which has heretofore denied that Packer was a prohibitionist, may also deny that the bill which passed the Senate in 1852 was a prohibitory Maine Liquor Law. The bill was made up of fifteen sections, and is therefore too long for publication entire, but in order that all doubts may be removed on this point, and all mouths stopped, we will give our readers some extracts from the bill as specimens. As before stated, it was entitled, "An Act to prohibit the manufacture and sale of intoxicating liquors." And to demonstrate that the bill itself corresponded with the title, we publish the first three sections of it, as follows:

Sec. 1. Be it enacted, &c. That no person shall be allowed at any time, to manufacture, or sell, by himself, his clerk, servant, or agent, directly or indirectly, any intoxicating liquors, whether the same be spirituous, vinous, or malt, or a mixture of the same, or any of them, or any other liquor possessing intoxicating properties, except as hereinafter provided.

Sec. 2. The judges of the Court of Quarter Sessions, and the County Commissioners, on the first Monday of July, annually, or as soon thereafter as may be convenient, may appoint suitable persons well-known, temperate, and sober habits, to buy, or manufacture and sell at some convenient point in each of the Townships, boroughs, and cities, within the county, as they may deem expedient and proper, wines and other liquors, for sacramental, medicinal, mechanical and artistic purposes, and for no other purposes whatsoever.

Such person shall be appointed for the term of one year, but may be re-appointed at any time at the pleasure of said judges and commissioners for violating this act.

Sec. 3. That each person appointed to sell liquors as aforesaid, shall keep an accurate account in writing of all the liquor bought or manufactured by him, specifying the quantity of each kind purchased or manufactured, the price of that purchased, the name of the person from whom it was purchased, the date of the purchase, the quantity of each kind sold, and the date of the sale, its price, the name, residence, and occupation of the person to whom it was sold, and the purpose for which it was purchased by him, and he shall cause the person to whom the sale is made, to sign the said specification at the end thereof; he shall semi-annually, if required, on a day and at a place to be appointed by said judges and commissioners, whereof public notice shall be given in one or more newspapers published in the county, exhibit upon his oath or solemn affirmation the books or books in which said account and specification are kept, to the said judges and commissioners, together with a balance sheet showing the quantity of each kind of liquor bought and sold by him during the period which has elapsed since his last exhibit, and if it shall appear to the said judges and commissioners that the profits of said business amount to more than what would be a fair and just compensation for transacting the same, they shall fix the amount to be retained by him for such compensation, and shall require him to pay the surplus to the Treasurer of the county for the use of the Commonwealth.

Sec. 4. Provides for the giving of a certificate of appointment to the person authorized to sell, upon his giving bond with at least two sureties in the penal sum of five hundred dollars, conditioned for his faithful observance of the law, &c.

Sec. 5. Imposes fines of from thirty to two hundred dollars, & costs, for violations of the act together with sundry terms of imprisonment of not less than two, nor more than six months.

Such are the first three sections of this beautiful liquor law in full, and the substance of the fourth and fifth; and we doubt not they are more than sufficient to satisfy all that a more ultra, radical, and out and out prohibitory law was never passed in the State of Maine or anywhere else. It not only prohibits the sale, under severe penalties of all sorts of liquors, and by every quantity great or small, except "for sacramental, medicinal, mechanical, and artistic purposes," but it absolutely prohibits the manufacture of any and all liquors, except for the purposes just mentioned. If this be not prohibition with a vengeance, we know not what would be. A subsequent section gives the right of search and the right to seize and destroy the liquors kept contrary to the act; and in short, the law seems to contain in itself all the ultraism on its subject that were ever heard of, and some others which strike us as entirely new and original, especially that registry which is to be signed at the end thereof by the man who purchases the liquor, stating for what purpose he gets it.

We have now given our readers a true and full explanation of Genl. Packer's votes, and position as a prohibitory liquor law man; and we will await with pleasure such explanations as his partisan friends may manufacture for this desperate emergency.

But for the great length of our article we would finish it off with a few choice extracts from the Bedford Gazette, showing what an infamous and unconstitutional outrage it is, and what a narrow-souled, and diabolical fanaticism it exhibits, for any man to speak or vote for a prohibitory liquor law. We will at our leisure hunt these matters up, and in the mean time console ourselves with the reflection that for the proper use of a few choice extracts there is no doubt "a good time coming."
