Bowman, in his speech in the Court House in Court week, stated that fourteen men, a couple of years ago, had been initiated in the Commissioners' office, into the "Know-Nothing" order, by Henry Nicodemus. Would it be believed that this same Henry Nicodemus is now clerk to the Locofoco Commissioners? Would it be believed that Cadwallader Evans, the man that made him Clerk, last fall, is now a candidate for Commissioner again, and is in favor of continuing him? If this is not true, we would like Mr. Evans to come out and deny it .with this man in the board, than they were
