Job Printing of all kinds executed neatly and promptly and on reasonable terms. DR. SANFORD'S INVIGORATOR,

OR LIVER REMEDY HAS ALL THE GOOD QUALITIES OF A PURGATIVE medicine, answering the purposes of any Cathartic without the debilitating effects experienced from most purgatives. It acts slowly and gently, but surely, moving the bowels to carry off all the secreted matter, at the same time, stimulating the Liver to a proper performance of its functions.

The Invigorator cures Sick Headache. Take one or two teaspoousful at each attack and it will soon disappear. For an overloaded stomach, or when food ries or sours, take the Invigorator after eating, and it will not prove disagreeable or oppressive. For Hearthum, Palpitation, or Difficult Breathing take a tos-spoonful once or twice daily. For Loss of Appetite, Languor or Listlessness, the medicine is invaluable. It will restore the appetite and make the tood digest well. Nightmare, take a teaspoonful on retiring, and the demons of dream band will all be fairles. After eating a hearty dinner, take a dose of Invigorator and it will refleve all oppression of feliaess. The Invigorator is a Liver Remedy of unequalled virtue, acting directly on that organ, curing Dyspepsia, Jaundice, Billions Attacks, Dysentery, Piles Worms, and all Female Obstructions, for which it has no equal.

We know there is nothing now before the American public, prepared with such skill by a scientific man particularly for discases of the Liver, as Dr. Sandford's Tavigorator, or Liver Remedy. It has attained a reputation second to no other article in the world, simply because it rests on its own merit. To convince all by triat that it is all its proprietors claim it to be, if any of our readers are suffering from such diseases as are described in Dr. Sandford's ad-vertisement we know of no remedy that will so strely oure them as the Invigorator.

There has lately been brought to our notice a medicine that seems to possess wonderful, curative and beating properties in diseases of Liver. Stomach and Digestive Organs. It came to us with so many testimonials in its favor that we have total is effects in some of the worst cases of continual delifity, caused by derang d liver, and in every instance the effect was to relieve or give a permanent cure, Dr. Sandford's Invigantor, or Liver Remedy is what we refer to. We always have been credulous about cures by patent medicines, but we Sandford's Invigarator, or Liver Remedy is what we refer to. We always have been credulous about cures by patent medicines, but we are convinced that this medicine. For family use, it not overrated by the host of recommendations is less. Our advice is for all troubled with Indigestion, Debility or Bowel Complaint, to get a buttle and try it; our word for it, relief will be experienced
