HE CLINGS TO LIFE

Sir John Macdonald Bravely
Struggling With Death.

NO CHANGE IN HIS CONDITION.

Prof. Osler, an American Specialist, Sum-
moned to the Bedside of the Premier.

Canadian Politicians Still Talking About
His Successor—It Is Said That the Cab-
inet Will Be Reorganized by Sir John
Thompson—Sir Charles Tupper to Re-
main Where He Is.

OTTAWA, Ont., June 8.—The condition
of Sir John Macdonald throughout the
morning is believed to have been better
than yesterday. The bulletin that was
issued by Dr. Powell announced his con-
dition as about the same. The Premier
dressed comfortably all the morning.
The weather was warmer, but did not ap-
parently affect him. The doctors, however,
have not changed their minds as to the
impossibility of his recovery.

Early crowds scanned the bulletin all
the morning and gathered at "Ears-
cliffe," the home of the dying Premier.

The Hon. C. H. Tupper this morning
denied the report that his father had
sailed for Canada. The High Commis-
sioner is still in Vienna.

On the question of the successorship
of the Empire, the organ of the Govern-
ment, declares that the subject has not
been mentioned at a Cabinet meeting;
that the Cabinet, upon the death of Sir
John, will be dissolved, to be reconvened
again only by the order of the Governor
General, who will select a successor to
Sir John.

Probable New Cabinet.

It is declared on the authority of a
prominent French Canadian that the
Cabinet will be reorganized by Sir John
Thompson with the following changes:
Premier and Minister of Justice—Sir
John Thompson.
Minister of Railways—Hon. J. A. Chap-
leau.
Minister of Public Works—G. A. Kirk-
patrick.
President of the Council—W. B. Ives.
Leader of the Senate—Lieutenant-Gov-
ernor Angers.

The politician said that the remaining
portfolios would remain the same except
that some French Canadian member
would succeed Chapleau as Secretary of
State. The Hon. J. Carling will probably
retire from the Cabinet to make room for
Macdowell, the present leader of the op-
position in the Ontario House. Sir Hector
will be made Lieutenant-Governor of
Quebec and Sir Charles Tupper will stay
where he is. It is all "booh," he declares,
about Sir John Thompson refusing the
Premiership.

THE PASTOR'S CRIME.

He Comforted the Dying Without License
from the Presbytery.

PITTSBURG, June 8.—The Reformed
Presbyterian Synod has commenced the
trial of the six suspended ministers who
think members should have the right to
participate in civil elections.

By a vote of 144 to 20, after a heated
and angry discussion, it was resolved
that the offenders be arrested for con-
tempt until they purge themselves. The
contempt consisted of preaching in
churches of other denominations. They
accused all appeared before the Synod
and denied that they had willfully been
in contempt. They considered that their
suspension covered only Reformed Pres-
byterian pulpits.

The Rev. B. B. Milligan, one of the
young recalcitrants, touched more than
a few hearts when he admitted he had
prayed with the sick, comforted the dy-
ing and buried the dead of his own flock,
but he did not do so in contempt of the
Pittsburg Presbytery.

The Rev. A. W. McClurkin of New
Alexandria was the first called for trial.
He confessed his accusers by pointing out
that he had been convicted for what
others did, on false evidence, without an
opportunity to defend himself, and by a
proceeding irregular and illegal. This
impressed the Synod that it was decided
to give him a separate trial after the
other five have been disposed of.

Plaster Committed for Trial.
LONDON, June 8.—Edward Plaster, alias
"Shenny Al," who is charged with
attempting to obtain \$40,000 from Edward
Streeter, the Bond Street jeweler, by
means of the philosopher's stone game,
was again under examination at the
Marlborough Street Police Court. One
witness was produced who proved that
the prisoner had in April last purchased
from him twelve ounces of potters brown
gold. The prisoner was then formally
committed for trial.

Two College Students Drowned.
NEW BRUNSWICK, N. J., June 8.—Walter
Pfeifer, of Williamsport, N. J., and
Willard P. Smith, of Hallsville, N. Y.,
freshmen in Rutgers' College, were
drowned last evening while bathing in
the canal. It is supposed that one of the
young men was seized with cramps and
that his companion went to his assistance
and tried to save him, when they were
both drowned.

Senators Gathering Statistics.
NEW YORK, June 8.—Senator Jones of
Nevada arrived in town yesterday, and
joined Senators Blacock and Carlisle.
These three are members of the Senate
Committee on IRRIGATION. They prepared
a formula for collecting statistics of the
wages paid employes in all industries.
Another meeting will be held this after-
noon.

No News from the Charleston.
WASHINGTON, June 8.—No news has
been received at the Navy Department
from the Charleston, and her silence,
naval officers think, indicates that she
had nothing of importance to report at
Callao, and has taken on her supply of
coal and left for Iquique, where she will
report to Admiral McCann and act under
his orders.

Attorney General Miller Unwell.
WASHINGTON, June 8.—Attorney Gen-
eral Miller was not well enough to attend
the regular Cabinet meeting, but expects
to be all right in a few days.

New American Bishops.
LOS ANGELES, June 8.—The Pope will nomi-
nate 60 bishops at to-morrow's consistory,
including bishops for Milwaukee, Salt
Lake, Omaha and Dallas.

ABSOLUTELY PURE

CALL FOR BONDS.

Interest on the Four and One-Half Per
Cents Will Cease September 3.

WASHINGTON, June 8.—Secretary Fos-
ter has issued a circular that the principal
and accrued interest of such of the
four and one-half per cent. bonds issued
under the acts of July 13, 1870, and Jan.
30, 1871, as may be outstanding on the
30 day of Sept., 1891, will be paid at the
Treasury of the United States in the city
of Washington on that day, and that the
interest on the said bonds will then
cease.

Suggestions have been made on the
part of the holders of some of these
bonds of a desire to extend the payment
thereof as the option of the United States
at the rate of 1 or 1-2 per cent. per an-
num, and the Secretary of the Treasury
will hereafter consider whether the ac-
ceptance of such offers or any of them
will be profitable to the government, and
in that event reserves the right to except
such bonds from his call.

It is officially stated that the sugges-
tion as to the extension of the 4-1-2 per
cent. bonds was added to the call made
by Secretary Foster more as a matter of
prudence than necessity. The Treasury
Department, it is stated by the same au-
thority, is abundantly able to pay all of
the \$51,000,000 4-1-2 per cent. bonds out-
standing, but in view of the uncertainty
of the public receipts and expenditures,
it is judged better to take the side of
safety.

One of the purposes, it is stated, of
affording an opportunity for offers in re-
gard to the extension of the 4-1-2 per
cent. bonds is the desire to avoid the enforced
retirement of a part or all of the National
bank circulation secured by these bonds,
amounting to \$28,000,000.

ONE HOUR IN A TRANCE.

Miss Scott's Strange Experiences When
Going to Her Mother's Funeral.

ALBANY, N. Y., June 8.—A special dis-
patch from Schenectady relates the case of
Miss Scott going into a trance for 40 min-
utes. She was about to leave for Pres-
ton Hollow, 18 miles distant, to attend
the funeral of her mother, when she be-
came unconscious and could not be
accounted for nearly an hour.

When she regained her senses she re-
lated to her attendant all the details of
her mother's funeral, describing the
dress in which the body was clothed, the
flowers held in her hand, also a
peculiar spot of induration on her lips,
which had not occurred until after death.
Miss Scott had not been in febrile health for
some time and had not seen her mother
for some weeks.
