Association Magnates Hold a Secret Meeting.

KING KELLY'S CLUB IN TROUBLE

Over $8,000 Lost So Far This Season and More Money Wanted.

The New York Giants Hold Second Place in the League—Anson's Team Play a Fine Game in Brooklyn—The Baltimores Whitewashed by St. Louis—Eastern Association Games.

CINCINNATI, June 4.—The American Baseball Association is still secretly wrestling with some mighty question. As has been surmised the meeting means more than the mere adjustment of the schedule, and the future of the Cincinnati Club is being considered. Locked doors have been the rule, but the following facts have leaked out. It was decided that new grounds must be obtained here, any other course being death. All the members but one voted for a new national agreement, with Cincinnati in the Association.

The local club has lost more than $8,000 so far and is urgently in need of money, which the association is loath to give. The books were carefully gone over, and it was shown that the paid attendance has been but half the published figures. It is believed the season will be played through here, however. The matter of Sunday games will be considered as soon as the jury now out in the Sunday ball case reports, but there is a feeling that it will be wise to secure other grounds.

MONUMENT TO GEN. GRANT.

Unveiled at Galena in the Presence of 30,000 People.

GALENA, Ill., June 4.—Thirty thousand people thronged the narrow streets of this place to witness the unveiling and dedication of a monument to Gen. Grant, the gift of H. H. Kohlsaat, a former Galena boy and now one of the millionaire citizens of Chicago.

When the great crowd and distinguished visitors assembled in Grant Park several bands struck up "Hail to the Chief," and amidst a scene of inspiring enthusiasm, little Miss Pauline Kohlsaat, of Chicago, daughter of the donor, gave a strong tug at the silken cord, and the black shroud in which the monument had been enveloped fell apart, revealing the work of art in all its beauty. The vast crowd gazed on the life-like features of the dead soldier and President for a moment as if spell-bound, and then, led by the old veterans of the Ninety-sixth Illinois, three hearty cheers and a tiger were given.

A brief address of acceptance on behalf of the city was made by Mr. Clennan, and after the band had rendered "America," Mr. Chauncey M. Depew was introduced and enthusiastically greeted. His oration was a masterly effort, even for so great an orator, and was received with repeated applause.

NINE-INCH HAILSTONES.

Ohio Towns Shaken Up by a Violent Wind and Rain Storm.

CLEVELAND, O., June 4.—A violent wind and rain storm raged in this city at 7 a. m. and was accompanied by extraordinary electrical disturbances. The lightning struck the Hotel Wilmot and jumped from thence to the trolley wire of an electric street railroad, severely shocking the occupants of a passing car, and throwing several of them in a heap toward one end of the car.

At Clyde, O., hailstones fell that measured nine inches in circumference. A passenger coach on the Wheeling & Lake Erie Railroad had the windows on one side broken. A hole was made in the roof of the engine cab, the headlight was broken and the boiler jacket battered as though with a hammer.

Has a Royal Yacht Now.

LONDON, June 4.—The "Truth" this morning says: "Mr. Vanderbilt has purchased the well-known steam yacht Conqueror, lately used by the Grand Duke of Mecklenburg-Schwerin, and now at Portsmouth."

NEWS OF THE DAY.

Fire in the drying room of the Shufeldt Distillery at Chicago, caused a loss of about $50,000.

The President has appointed John D. Snedeker postmaster at Hempstead, N. Y., and Sigmund E. Wisner at Marietta, Pa.

Chief Secretary for Ireland, Balfour, has sold his estate in the Scottish Highlands to Mr. Coombe, the well-known London brewer, for $500,000.

M. Verein, a prominent Paris broker, has been declared a defaulter to the amount of $1,000,000. The announcement creates a profound sensation.

The Windsor House, at Gardner, Mass., which was undergoing repairs, was destroyed by fire during the night. The loss on the building is $10,000. Stratton Bros., dry goods, lose $5,000; H. A. Turner, grocer, $1,000. All insured.

The body of Hefferman Fay, of Ballston, N. Y., was found in Saratoga Lake, during the morning. The body had evidently been in the water for several days. It is supposed that the unfortunate man was intoxicated and upset his boat.

E. F. Schmidt, proprietor of the Hoffman House, at Birmingham, Conn., committed suicide by shooting himself with a shot-gun. He placed the muzzle to his left ear and with the aid of a yard stick touched the trigger. Business reverses are the supposed cause. He leaves a wife and daughter.

Charles Donnelly, aged 11, and Michael McLaughlin, aged 10, of Waterbury, Conn., who were arrested on a charge of attempting to wreck the noon express on the New York & New England road, said they only did it for fun. They were sent to the reform school until they are 21 years old.

A mass-meeting of the citizens of Concord, N. H., was held to protest against the passage of the Barber bill now before the New Hampshire Legislature, and which provides that endowment and bond orders be prohibited from doing business in the State. Resolutions were adopted demanding the removal of Insurance Commissioner Linehan.

Your dealer in lamp-chimneys--what does he get for you?

There are common glass and tough glass, tough against heat. There are foggy and clear. There are rough and fine. There are carefully made and hap-hazard.

You can't be an expert in chimneys; but this you can do. Insist on Macbeth's "pearl top" or "pearl glass" whichever shape you require. They are right in all those ways; and they do not break from heat, not one in a hundred.
