ARRESTED FOR CONSPIRACY.

A Sensational Suit Over the Disappearance of a Prominent Merchant.

MEADVILLE, Pa., July 2.—A sensational case came up for hearing yesterday. Three months ago James C. Patton, a prominent merchant of Cochranton, this county, mysteriously disappeared, leaving a young wife. Domestic trouble was assigned as the cause of his disappearance.

Mrs. Patton charges the defendants in the case, Dr. Saul M. and Mrs. Jane Patton, mother and brother of her husband, and Squire Adams, an uncle, with having conspired to defraud her out of the property she would inherit.

The defendants are all prominent people. Sinclair Adams was a Democratic candidate for the Assembly last year. The court held the defendants in $300 to answer at the next term.

The Great Benefit

Which people in run down state of health derive from Hood's Sarsaparilla, conclusively proves that this medicine "makes the weak strong." It does not act like a stimulant, imparting fictitious strength, but Hood's Sarsaparilla builds up in a perfectly natural way all the weakened parts, purifies the blood, and assists to healthy action those important organs, the kidneys and liver.

Oh, What a Cough.

Will you heed the warning? The signal perhaps of the sure approach of that more terrible disease, Consumption. Ask yourselves if you can afford for the sake of saving 50 cents, to run the risk and do nothing for it? We know from experience that Shiloh's Cure will Cure your Cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves Croup and Whooping Cough at once. Mothers do not be without it. For Lame Back, Side or Chest, use Shiloh's Porous Plaster. Sold by C. H. Hagenbuch, N. E. corner Main and Lloyd streets.

We are now moving along in summer according to the almanac.

A Husband's Mistake.

Husbands too often permit wives, and parents their children, to suffer from headache, dizziness, neuralgia, sleeplessness, fits, nervousness, when by the use of Dr. Miles' Restorative Nervine such serious results could easily be prevented. Druggists everywhere say it gives universal satisfaction, and run at immense sale. Woods orth & Co., of Fort Wayne, Ind.; Snow & Co., of Syracuse, N. Y.; J. C. Wolf, Hillsdale, Mich.; and hundreds of others say "it is the greatest seller they ever knew." It contains no opiates. Trial bottles and fine book on Nervous Diseases, free at C. H. Hagenbuch's.

A tack points heavenward when it means the most mischief.

To Nervous, Debilitated Men.

If you send us your address, we will mail you our illustrated pamphlet explaining all about Dr. Dye's Celebrated Electro-Voltaic Belt and Appliances, and their charming effects upon the nervous debilitated system, and how they will quickly restore you to vigor, and manhood. Pamphlet free. If you are thus afflicted, we will send you a Belt and Appliances on a trial.

There will be plenty of peaches and water melons this year, and the camp meeting is certain of success.

NEW YORK, January 31, 1890.

Alva's Brazilian Specific Co.—Gentlemen: Having suffered for the past two years with rheumatism, indigestion, sore throat, and a complete breaking down of my whole system, I was induced (after treating with several prominent doctors) to try the Cactus Blood Cure, which I continued to use for about thirty days, since which time I have been entirely free from the above-mentioned troubles, and have more ambition to-day than any time in the past four years. I can heartily recommend the same to any one having the same troubles. J. M. B. ROBINSON.

SPECIAL NOTICES.

The vestibuled compartment sleeping cars recently introduced on the Chicago, St. Paul and Kansas City Railway are models of comfort, convenience and luxury. Any patron of the sleeping car is enabled, by the introduction of these compartment cars, to secure the same privacy and convenience that he would in the best hotel. No other line west of Chicago runs the compartment cars. In addition, the trains are equipped with the regular open Pullman sleeper, giving passengers their choice. The dining car service is fully up to the requirements of modern railway service. An excellent cuisine, promptly served and elegant surroundings, at moderate charges, leaves nothing now to be desired. Any of our people contemplating a trip to any part of the west or northwest cannot possibly secure better accommodations or lower rates than the Passenger Department, Grand Agent of Philadelphia, Pa.

WHITE PEAKS AND DARK CANONS.

Colorado is a land of sharp contrasts, of brilliant lights, of intense shadows; a land where heights and depths make obvious the meaning of the word antithesis; a land where every mood in mind can find an answering mood in nature. The high, white minarets of the mountains, from whose slender pinnacles float the wind-blown banners of the snow, appeal with silent eloquence to the lofty aspirations of the soul; the sombre chasms cleft by Titan forces through granite-hearted hills within whose depths dark shadows throng and swirling torrents dashspeak to the heart, a language that thrills, inspires and awes. It does not follow that these glories of white peaks and those glooms of dark canons preclude the pleasant intervals, the sunny meadows or the secluded nooks wherein the tired mind or wearied body may find peaceful rest and refuge from turmoil and toil. To one making a journey in Colorado, New Mexico or Utah, or taking a transcontinental tour from East to West, or *vice versa*, the Denver and Rio Grande Railroad offers accommodations equal in elegance, convenience and luxury to those of any other line with the added attractions of the unrivalled scenery along its line, abounding in a magnificent opulence of white peaks and dark canons. The month of November, 1890, witnessed one of the most important improvements in railroad facilities that has yet been made in Colorado and the West. The completion of the standard gauge of the Denver and Rio Grande Railroad from Denver, Colorado, over the mountains to Ogden, Utah, which five years ago was deemed an impossibility, is certainly a triumph of daring and engineering skill. The new line is by the way of Leadville, tunneling Tennessee Pass, threading the canons of the Eagle and Grand Rivers, giving a view of the Mount of the Holy Cross, enroute, taking its trains through Glenwood Springs and down the Grand River to Grand Junction, thence to Salt Lake City, Ogden and San Francisco. By this route one is given an opportunity to behold the magnificence of Eagle River Canon and the marvelous beauty and grandeur of the Canon of the Grand. The overland train is a model in every respect. From the engine to the last first-class coach everything is bright and new, and of the most elegant style of workmanship and finish.

If any reader desires to know more about these stupendous works of nature, write to S. K. Hooper, General Passenger Agent, Denver, Colorado, and he will send you, free of cost, elegantly illustrated books, giving a full description of the marvels of the "Scenic Line."—Stanley Wood in the "Great Divide."

CLOSED THE BANK.

The Asbury Park National Has Been Making Bad Loans.

ASBURY PARK, N. J., July 2.—The Asbury Park National Bank has been closed upon orders issued by the Comptroller of the Currency.

Bank Examiner Stone made an examination this week and found that the bank had been making bad loans and was doing an unprofitable business.

The bank was organized three years ago with a capital of $100,000. The last report, May 6, showed the individual deposits to be $8,000. The bank figured conspicuously in the Simmons Pell-Wallack check-kiting transactions last March. The depositors will lose nothing.

DUEL ON A DOORSTEP.

The Men Within Fifteen Feet of Each Other and Fired Several Shots.

BIRMINGHAM, Ala., July 2.—Dr. G. B. Crowe shot and mortally wounded B. F. Glass, father of F. P. Glass, one of the proprietors of the Montgomery Advertiser, at Brierfield, at 9 a. m.

The difficulty grew out of something Glass had said, and which he would not retract. Crowe went to Glass's house, and Glass told him not to enter.

As Crowe advanced, and Glass fired on him with a Winchester rifle, Crowe answered with a pistol shot. Each man fired several shots. The men were within fifteen feet of each other. Finally Glass fell and Crow walked away. One of the bullets entered Glass's abdomen.

He is and old and much respected citizen. Crowe is only 27 years of age.

JUGIGO IS MAD.

The Murderer a Hopeless Lunatic in Sing Sing Prison.

SING SING, July 2.—Shibuya Jugigo, the convicted and condemned murderer of Mura Commi, a fellow Japanese sailor, is a confirmed lunatic. Since he was brought to the State prison the last time his insanity has steadily developed until now he is entirely out of his mind.

Still, the unhappy man is a great reader of the Japanese version of the New Testament, and the perusal of that book is about his only occupation.

New York Contractors Defeated.

NEW YORK, July 2.—The action of O'Brien and Clark for $782,312 damages against the city for extra work in section 6 of the New York aequeduct has been dismissed by Judge Ingraham of the Supreme Court. He, however, directs a verdict in their favor for $19,000 the amount conceded to be due them by the city. This decision is probably a fatal blow at nearly $8,000,000 suits of a similar character which were to be brought by these and other contractors.

Secretary Blaine's Condition.

BAR HARBOR, Me., July 2.—The news sent out that Secretary Blaine had another attack and his family was seriously alarmed was much exaggerated. He is suffering from nervous prostration, and it is hard to get him to take the rest that he needs. He is an indefatigable worker. The Marquis Imperiali, Secretary of the Italian Legation, is at Bar

Another Philadelphian in Trouble.

PHILADELPHIA, July 2.—A small sensation has been caused over the sudden disappearance of Edward Y. Eltonhead, who, until a few weeks ago, was president of the Fidelity Storage and Warehouse Co., of 1871-73 Market street. He is said to be a defaulter for a large sum of money. The exact amount cannot be stated, but experts are at work on the books.

A Cure for Constipation and Headache.

Dr. Silas Lane, while in the Rocky Mountains, discovered a root that when combined with other herbs, makes an easy and certain cure for constipation. It is in the form of dry roots and leaves, and is known as Lane's Family Medicine. It will cure sick headache. For the blood, liver and kidneys, and for clearing up the complexion it does wonders. Druggists sell it at 50 cents a package.

Some one has written a book called "The Man Who Was Too Good." It is fiction.

Ask Your Friends About It.

Your distressing cough can be cured. We know it because Kemp's Balsam within the past few years has cured so many coughs and colds in this community. Its remarkable sale has been won entirely by its genuine merit. Ask some friend who has used it what he thinks of Kemp's Balsam. There is no medicine so pure, none so effective. Large bottles 50c and $1 at all druggists'.

Canned vegetables and city folks go together to the festive country boarding houses.

Shiloh's Consumption Cure.

This is beyond question the most successful Cough Medicine we have ever sold, a few doses invariably cure the worst cases of Cough, Croup, and Bronchitis, while its wonderful success in the cure of Consumption is without a parallel in the history of medicine. Since its first discovery it has been sold on a guarantee, a test which no other medicine can stand. If you have a Cough we earnestly ask you to try it. Price 10 cents, 50 cents, and $1.00. If your Lungs are sore, Chest or Back lame, use Shiloh's Porous Plaster. Sold by C. H. Hagenbuch, N. E. corner Main and Lloyd streets.

Scrofula and Salt Rheum

The heritage of which every human being is almost as certain as he is of air, sunlight and breath, is Scrofula Humor. Far away in the realms of history we catch glimpses of what a curse upon the people this all-prevalent contamination made itself. Poor diet and insufficient food, ill ventilation, filth and dampness, all assist the slumbering germs of Scrofula to overpower the vitality of the body and run riot in the system. The blood in its process of renewing the waste cannot expel any inherited taint of weakness or impurity. It can only be removed by the action of some purifying medicinal agency, which assisted by nutritious food, well digested and assimilated into blood, gradually insures the possession of sound health. Such a renovating remedy has Brown's Sarsaparilla proved itself to be, whether this taint has given rise to Scrofula, Salt Rheum, Rheumatism, Neuralgia, Liver Complaints, or Kidney Diseases, which are the most frequent manifestations of its presence, all have readily yielded to the clean and purifying action of Brown's Sarsaparilla.

A VERY BAD CASE

of Scrofula, cured by Brown's Sarsaparilla, has excited the people living in and around the town of Lee, Me. Mr. Averill writes us as follows: "My son has now taken fourteen bottles of Brown's Sarsaparilla, and I am sure it has completed a cure. His case was the worst I ever saw. His face was covered with what seemed to be scales or scabs, and the itching was so intolerable that he tossed about in agony through many a sleepless night. He commenced some weeks ago to use Brown's Sarsaparilla in connection with the salve you sent to allay the irritation, and now he is so far recovered that we consider his complete cure as certain." Mr. J. W. Burke of Lee, chairman of Penobscot Co. Commissioners, says: "It is wonderful what Brown's Sarsaparilla has done for young Averill." In this case Brown's Sarsaparilla threw open the bowels and pores of the skin, at the same time entering the blood, beginning a vigorous warfare on the impure matter found there, and which was a constant source of supply for the scrofulous humor on the outside. In time this was expelled from the system, and only pure matter entered the blood.

Cured by the Use of

SALT RHEUM.

On Davis Street, in Bangor, resides Mrs. Edwin Wiley, whose daughter was badly afflicted with Salt Rheum. At times her face and hands would be covered with blotches. So intense was the itching sensation that applications of salt were made to destroy it. For a long time no relief could be obtained. One day some one suggested Brown's Sarsaparilla, and a bottle was purchased. Later Mrs. Wiley brought her daughter to the establishment of Mr. Ara Warren where Brown's Sarsaparilla is made. The face that a short time previous was covered with blotches, burning and itching, presented as fair and smooth an appearance as that of any young lady. LESS THAN ONE BOTTLE WAS USED.
