SHENANDOAH

Is the head centre of the Schuylkill coal region, thirteen miles from the county seat. It is on the line of the Philadelphia and Reading, Pennsylvania and Lehigh Valley railroads, thus offering excellent. facilities for travel. Not quite 4 hours ride from the city of Philadelphia

ceived in Washington.

in the Town.

For-The Government Officers Prepar-

where the Blanco Encalada was sunk

Their purpose is, without doubt, to at-tack Cognimbo at once. It seems that

They hope to be joined by hundreds of deserters as soon as they make a descent

upon this place. If this is so it will make a difference in the coming fight. It looks as if the insurgents and the Enimacedists would be in conflict by

July 3 There are 7,000 government troops in this town. Much less than one-half of these are regulars. The rest are volun-teers. They are not to be much depend-ed on. It is from their ranks that mest of the deserters to the other side are orthoral.

of the deserters to the other side are gathered. There is no telling what the strength of the insurgents at Caldera is. It is re-ported that they have 8,000 troops in all, who are well armed, and that only for lack of animumition they could put a much larger force in the field. An attack by both land and sea upon Commonity much a landered for

An attack by both land and see upon Coquimito may be looked for Balmaceda's officers are making every preparation for a savage resistance. They are trained men and good lighters. The weakness of the Balmaceda army is in its volunteers.

THE KAISER'S VISIT.

FRENCHY IN TEARS The Alleged Murderer in a Perfect Agony of Terror.

HIS LAWYERS COMFORT HIM

The Semational Case May Go to the Jury To-Night.

Only a Few of the Witnesses to be Called for the Defence This Aflernoon The Experi Testimous Introduced Aposition chimneys. ting on the Jury's Verdici-

New York, July 2 .- The fate of Amore Ben All, the alloged murderer of old Sinkespeare, will in all probability be in the bands of the jury ta-night.

Detentive Sergeant Crowley and Ins. ac tor Byrnes testified and produced a fitte for synthes section and produced a dis-ber of exhibits, consisting of article found on Fremity, together with pieces of his distilling. They were followed by Doctor Fermad, who gave expert test nony as to the stains found on French's clothing and the bud is slept in, *Dr.* Austin Finn and Cyrus Edson were called and with their testimony the presention rested. The Recordsr forded a motion by Law-

The Bacorder forded a motion by Law-yer House to sequir the prisoner on the ground of insufficient evidence, and Law-yer Lawy opened the case for the defence. He made an impressive opening as re-garded the prisoner's case. He branded the Batrict Attorney's statement that the accused was a surgeon in the French atmy as natrue, no evidence having been brought in to show it. When Mr. Lavy sat down "Frenchy was the centre of an interested circle, among whom was br. Paul Gibler, of the Pasterr lustitute, in, Gibler, of the Pasterr lustitute, and the poor Arab crick bitterly and seemed to be protesting that there was a conspiracy sgaftes thin. Frenchy Breaks Down.

Frenchy Breaks Down.

Frenchy Breaks Down. The calm demeanor which Ben All had shown at the beginning of the kriat and which has done so much to redeem him. from the charge of bratality, left him when the court adjourned. If say for a while in his chair quietly crying behind his ention hundkerchiet. His interpreter and nonneel noticed his depression and tried to cheer him up. Then he haves one into eartiest elseu-halons in his own outlandish tongne, da-charing over maj over that he nover saw the woman that alght; that he was func-end of the half from the room that she was in, and so on.

contribute the slope that highly at the other end of the hall from the room that she was in, and so on.
The grand brought him his functions way be. In a plece of brown paper. He put if quickly down upon the floor with a gesture of disgust. The interpreter upon the those was in. A start was sore.
The alleged "ripper" will take the stand this afternoon, and his counsel feel confident that his evidence will have great weight with the jury.
The strongest thing said against "French ys" innocence was br. Format's reply to a juror's question.
"Yes, I certainly would state my life that the blood on the man's garments and the blood on the man's garments old woman died are the same."
Wise experise will this afternoon, it is said, contradict the testimony of Dra. Formad, Fint and Edson.
There is much speculation on the verdict. The general opinion is that the worked are the same."
The general opinion is that the work is a start of the second of the start of the start weight will be been in which the old woman died are the same."
There is much speculation on the verdict. The general opinion is that the work speculation is that the work of the second opinion is that the many of the same second opinion is that the work of the second opinion is that the work opinion the second opinion is that the work of the second opinion is that the work of the second opinion is that the wo
